Local Trail Rides

Barb De Witt and Pharaoh

Spring has sprung and it's great to see so many people out riding whenever it's not pouring down rain! As of right now, the Coronavirus has mandated that we can't ride together. Our next local trail ride will be, once the quarantine has been lifted, down into Cucamonga Canyon along Cucamonga Creek. The ride is through groomed trails until we cross the creek to the Upland side of the canyon, which is a bit rocky, and also includes the hills going down to and up from the canyon. This ride is about 8.5 miles starting at Heritage Park. Here are a few pictures from my March 16 ride just making sure the water was not going to be a problem. Can't wait to ride with all of you again!

The passing of Jack O'Neil, long time ALRC member

John (Jack) Denis O'Neil July 30, 1940 - February 12, 2020
Age 79, of Alta Loma, CA, passed away on February 12, 2020 at Kaiser Riverside Hospital from heart failure. Jack was born in Boston, the son of John Bernard O'Neil and Margaret F. Sullivan. He attended Boston Latin High School. Upon graduating from Boston University in 1962 with a BS in Engineering Management from the College of Industrial

Engineering, Jack went on to Rensselaer Polytechnic in Troy, New York to earn his MS. Jack worked for General Electric in Pennsylvania and Evandale, Ohio. He moved to Ontario, CA to work for GE at the Ontario Airport in 1967. In 1968 Jack met Mary in September at a social group at Our Lady of Assumption in Claremont. They were engaged in November. At this time GE wanted Jack to return to Cincinnati. Jack left GE and went to work for Hughes Aircraft in Culver City as an engineer. Mary and Jack married in June 1969 at Our Lady of Assumption. Jack attended USC to earn his doctorate. In 1970 Jack joined Cal Poly Pomona faculty in the College of Engineering in the Industrial and Manufacturing Department. This was the start of a 33 year career. Professor O'Neil thoroughly enjoyed teaching. Jack and Mary hosted a Thanksgiving dinner for the IME department students and faculty for 29 years. Jack retired in December 2002. Jack enjoyed black & white photography, earthquake study by building his own seismograph, woodworking by building his own hutch cabinet and coffee table among other things, gardening - fruit trees, rose garden, and traveling with his wife, Mary, on six continents for fishing and hunting. Jack is survived by his wife, Mary. Jack and his wife were long time members of the ALRC and he will be greatly missed.

ALRC MEMBERSHIP!!!

Do you know someone who might like to be a member of the Club? Remember the club is not just for horse owners, it is for anyone who loves our rural living! Please remember that without the Alta Loma Riding Club we would lose a lot of our large animal rights. There are many other special interests that would love to have the facilities we have at Heritage Park. The bridle trails that traverse our city were campaigned for by the Club when our area starting developing. Memberships can be paid via Pay Pal for your convenience.

Thank you to the following for your renewal:

- Jennifer and Craig Sommers Sue Arehart and Bill Jones
- Diane Arnold Summer and Matt Duffy

Good Riding and hope to see many of you on the trails and at events throughout the year.

Ali Smilgis - Membership Director
