## the PRESIDENT'S MESSAGE

from Cassie Sanchez, ALRC President

The ALRC hosts an important event every two years. It is the Candidate Forum which we hold at the Heritage Equestrian Center. The tradition has been going on for many years now and has proven to be a very useful and informative event. It is a time when we can meet and hear our candidates for the local offices of the Rancho Cucamonga City Council. We can be informed citizens when it comes time to vote on November 8th.

Our local representatives are crucial to the support of our equestrian lifestyles here in Rancho Cucamonga. We need to make them aware of the needs of our community and offer our support to those candidates who agree to keeping our trails, supporting the Equestrian Center, and supporting property codes that protect our homes and equestrian facilities.

This year's Candidate's Forum will be on Tuesday, October 11 at our Heritage Park Equestrian Center, promptly starting at 7:00 p.m. and ending around 9:00 p.m. We will serve refreshments during the break where you can speak individually with the candidates. Six people are running in District 1, (Heritage Park District) and 3 people in District 2, and one unopposed in District 3. The Mayor of Rancho Cucamonga is also unopposed but will attend the event.

Each candidate will speak for five minutes replying to our concerns and giving a brief background as to why they are running. After meeting the audience, they will return and speak once more about the question they received and summarize their positions. Please plan to attend this important and valuable evening. We hope to see you there on October 11.

Speaking of the Candidates' Forum, we need to put our best foot forward to the community and give a polished and professional presentation of the Alta Loma Riding Club to our members, the city, and the public. The Club House and surrounding areas could use a good clean-up. It has been a while since we gave some attention to our grounds (As you know, we are responsible for the maintenance of the Equestrian Center.) Therefore, we are having an important clean-up at the arena area on October 8th at 9:00 a.m. We need a good group of people, (especially some men) to help with the clean-up. Here are some areas that need our attention:

- Floor cleaning in the clubhouse
- Kitchen cleaning
- Decorating for the Forum
- Clearing debris from the sidewalks from the last rainstorm
- Leaf raking
- Set up and decorating for the Candidate Forum

Pick your specialty and join in the fun. Be sure to bring your shovel and rake.

We will be serving coffee and donuts.

Also, as a last note, please be ware that the Almond Trail has been badly damaged after the last storm. The city has posted caution signs in this area. Be careful when riding in the area.

Happy Trails! *Cassie*
