When you get to the summary section, the platform will ask for a contribution. **There are default contributions of 17%, 20 and 22%.** There is also an option for **OTHER**. You **do not** have to make a contribution at all; **or you can give one in the amount of your choice** (even if it's just \$2.00.) The contribution helps the platform remain free for organizations, but again, it is **YOUR CHOICE** to give a contribution. The retreat does not receive the contribution.

Choose payment method and select confirm.
