### ***"More Than a Conference. It's a Family"***

You are invited to the Holy Spirit Renewal Conference for a week of spiritual renewal, equipping and empowerment to walk a New Testament Holy Spirit-Filled life.

Experience God throughout the week in anointed worship and teachings from nationally known guest speakers, HSRM leaders, and gifted workshop presenters.

Youth ministry, children's ministry and childcare make it possible for the whole family to enjoy and fully participate in the conference and receive a touch from the Lord. Free time every afternoon allows time to enjoy the great outdoors on the beautiful conference grounds of Green Lake Conference Center.

Holy Spirit Renewal Ministries has been serving the Body of Christ for over 48 years through conferences, seminars, and retreats and has the distinction of maintaining a great balance of Word and Spirit. HSRM expounds God's uncompromised truth and sound scriptural teaching which allows believers to experience and release God's New Testament power that was promised to all believers.

He is the same yesterday, today and forever! Love yourself and your family and make it a priority to "press in" for all that the Lord has for you and wants to do in your life.

The fellowship among the conferees at the Holy Spirit Conference is a special feature and has earned it the tag line ...

## 2024 HSRM Conference Speakers

Michael Miller and his family live in Denver, Colorado. After graduating from Texas A&M he worked for a para-church ministry called Young Life. Michael then went to work for Professor Jack Deere at Wellspring where he ran the healing ministry and traveled with Jack to minister to varying churches. He is now a cohost for a YouTube show called "To Be Continued" on the Remnant Radio and regularly speaks, trains, and ministers in churches both locally and abroad. In 2020 Michael moved to Denver, Colorado to plant a church called "Reclamation Church" where he serves full-time as an elder and teaching pastor.

Pastor Todd Smith has been the pastor at Christ Fellowship in Dawsonville, GA since 2010 and is the leader of the North Georgia Revival which started on Feb.11, 2018.

He has firsthand experience in creating a habitation for God but was on the verge of quitting the ministry until the Holy Spirit began showing him how to create a place in his life for the presence of God to live. Historically, God has moved mightily through revivals, awakenings, and outpourings of His Spirit. At the North Georgia Revival God has been meeting His people in the waters of baptism, resulting in spectacular miracles, divine healings, restoration, and salvations.

Experience the teachings of nationally known HSRM leaders Dr. Clayton Ford and Dr. John Piippo along with many other talented HSRM leaders and gifted workshop leaders.

There will be opportunities to attend workshops on life changing subjects .

Programs are offered daily for youth 9 months through High School graduates to allow parents to enjoy the conference.

The Young Adults (high school Graduates though 29 years old) will have fellowship opportunities during the week.
