

## AGLOW International, Nigeria Covenant Partners Form

**SPECIAL INVITATION TO YOU TO BECOME AN AGLOW NIGERIA COVENANT PARTNER.**

Calvary Greetings in Jesus Name. This is to introduce Aglow International, Nigeria to you. AGLOW is derived from the amplified version of Romans 12:11. We are a non-profit Network of Praying and Caring Christian Women across various Denominations. Started by 4 women in the City of Seattle, Washington in USA and headed by Mrs. Jane Hansen Hoyt, Aglow is established in virtually every country of the World. A few years ago Aglow welcomed men as members of the Fellowship. We support the propagation of the Gospel of Christ. We embark on acts of Compassion to the less privileged, orphans, widows, homeless, sexually abused, victims of rape, prisoners, depressed etc. We would like you to support the Ministry by becoming a COVENANT PARTNER. This would go a long way in sustaining our compassionate Ministries as well as the development of our Headquarters building and Multi-purpose Skills Aquisition Centre. **Please fill the Form below and submit.** We will follow up by contacting you. We pray that you experience God's abundance over every seed sown into the AGLOW Ministry as a Covenant Partner in Jesus Name. Amen.
