

FROM START TO FINISH.

BUFFERS

TERMINATOR

GALAXY wants every set of nails to finish with perfection, the same quality used to make the TERMINATOR. It's large size helps make it easy to make a perfect set of nails as smooth as silk.

ULTIMATE SHINER

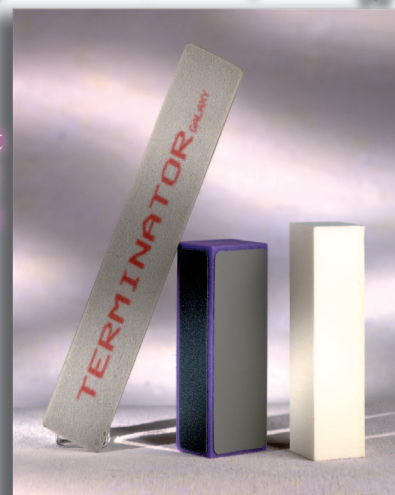

The ultimate buffing shiner! No other shiner available compares. 3 different select abrasives gives your set of nails the "ULTIMATE SHINE!"

SNOWBUFFER

GALAXY's soft center, fine grit buffers are excellent finishing tools for smoothing acrylic nails.

TOOLS FOR SUCCESS

ALMOND OIL

GALAXY's superior hydrating ALMOND CUTICLE OIL nourishes and soothes dry irritated cuticles.

1/2 oz.
1/3 oz. 6 PACK
2 oz. pump

LIQUID GLASS

Superior finish and UV Protection. LIQUID GLASS enhances your work, protects and reduces damage, from light penetration, stops yellowing, dries virtually in a instant and leaves the nail surface looking like glass. Use LIQUID GLASS BLUSH for natural "pink" looking nails.

PRIMER

GALAXY's exclusive extra strength, non-lifting PRIMER: 2 thin coats optimizes acrylic bonding.

1/4 oz. & 1/2 oz.

1/2 oz.

SMUDGE ME NOT

To guarantee those nails shine no matter what they go through, re-enforce them with SMUDGE ME NOT. A top coat of liquid glass, SMUDGE ME NOT protects against sun screen, doesn't chip and it keeps it's shine.

1/2 oz.

BALANCE

A good finish begins with BALANCE. Use before PRIMER for maximum adhesion of the nail.

1/2 oz.
1 oz. spray
