GALAXY's FAST SET System and KYM LEE System Professional salon acrylic nail kits will introduce you to all of the high performance nail products manufactured by GALAXY. These acrylic nail kits are a tremendous value. Choose the kit that's right for you and experience for yourself the quality and performance that is the secret to creating beautifully manicured nails and satisfied customers. GALAXY's FAST SET System Kits have a quick sculpting method while the KYM LEE System Kits allow for a moderate sculpting method - yet start to finish time is the same for both. Both systems are manufactured to uncompromising quality standards. Simply choose the system that best suits your sculpting style.
