

# TWO GREAT ACRYLIC SYSTEMS

## ONE TOUGH CHOICE

For nails that will keep your clients smiling for weeks, GALAXY NAIL PRODUCTS has designed two exceptional systems to fit every Nail Professional's need. GALAXY's FAST SET system was designed for speed, this formula dries smooth and is easy to file. The liquid is low odor and promotes tighter adhesion as it sets. Absolutely no crystallization will occur as the softer polymers also generate forgiveness and flexibility. FAST SET is self leveling and requires a wetter brush during sculpting. If speed is your need, GALAXY's FAST SET liquid and powder is your choice.
