Dinner Meeting... The dinner meeting will have a guest speaker that will be a surprise. We are waiting to see if the speaker can make it. We will begin at our usual starting time and if we don't have a speaker our President will make for an enjoyable evening. No pressure, Jer! Hopefully we will have everyone in attendance. Our August dinner meeting was enhanced by our Regional Director Cheryl Pence who enlightened us about her program for her term. We need to make sure our club responds to what is happening in our Region and the National programs.

Business Meeting... At the business meeting we had more discussion about our committees and what we are trying to accomplish this year. The Bear pools are filled and should be going out this weekend. Hope you have luck with your squares and the Bears cooperate with a winning year, scoring many points. Jason Camis, Sertoma's Executive Director has contacted us about attending one of our meetings, possibly in November. It will be good if you can all get to meet him and learn more about National programs.

The Sertoma National Conference is being held in Charlotte, NC on Oct. 13-14 and now is the time to make reservations. I will be going so you will not be alone if you attend.
