in consequence of so much business to attend  
to This day we have had word how we  
could attend to, and I am so much fatigued  
I can hardly get to my boarding, the weather  
for the last 3 weeks has been cold & windy  
I am no longer, it might more easily in  
a few days, you may expect me at your  
house in about 2 weeks from about Sunday  
If it possible for me to come, my health  
permitting, you will forgive my former letter  
I am so fatigued, I can scarcely hold  
my pen, please remember my best regards to your  
kind Mother and believe me your attached
