

Dear Friend:

Teaming up with Ancestral Funk™, Inc, an emerging music and arts hub in Saint Petersburg, my organization aims to collaborate for an unforgettable evening of love, unity, and enlightenment through music, visual arts, diverse food trucks, and immersive experiences.

On Saturday, April 20, 2024, from 6 pm to 10 pm, the third annual Motherland Music Festival will magically transform one section of historic Williams Park into a haven of love, unity, and harmony. Curated intentionally from the Saint Petersburg area, the festival features a lineup of eclectic music, local food vendors, crafters, service organizations, and visual artists. With something for everyone, from toddlers to senior citizens, our vision is for the Motherland Music Festival to become synonymous with the diverse and inclusive [#WeAreStPete](#) spirit of the City of Saint Petersburg, FL.

We are seeking sponsors who share a commitment to promoting love and respect for humanity. Our premier sponsorship opportunity is the 100/7 campaign, inviting 100 businesses, faith-based entities, sororities, fraternities, civic and social organizations to purchase 7 tickets to the festival. Your organization, or Ancestral Funk if preferred, will then distribute the tickets to social services agencies for individuals who may otherwise be unable to attend a ticketed event. The tickets could also be used to reward your employees or volunteers.

In 2023, we were honored to have the City of Saint Petersburg Parks and Recreation Division as a co-sponsor, drawing a crowd of 200 people to enjoy local talent and contributing to an economic impact of over \$25,000.00.

Stay tuned for the upcoming performing arts lineup, soon to be posted on all Ancestral Funk and RaceWithoutIsm social media channels and respective websites.

Sincerely,
