GFWC Member Transfer Form

When a Member Moves

Often when a member moves to a new state, she has difficulty finding a Federated club in her new location. During her busy transition, she may put it off until eventually she loses interest, is contacted by another group, or fills her life with other activities. Whatever the reason, she is lost to the Federation. It is imperative that we retain her as a member! With your help, we can facilitate her transition into a GFWC club near her new home.

When a member moves to a different state, please fill out this form and mail ASAP to:
Membership Services, GFWC, 1734 N Street NW, Washington DC 20036-2990.

If a member moves to a new community within her state, please send this form to the State Membership Chairman.
