The first few months of the 2014-2016 Administration have been a bit of an emotional roller coaster for all of us as we have shared joys and sorrows with our fellow Clubwomen. And how fortunate we are to have the friendships formed through GFWC.

Strong friendships, even casual acquaintances can play a huge factor in ones mental health.

It is my hope that each of you will find a way, through your club work, to bring awareness and respectability to the subject of mental health. Those on Program Council graciously accepted my plans for awards and recognition, and I can't wait to learn how each of you promote my cause. We can make a difference!

As we celebrate 125 years, we need to remember what made us a strong organization, and perhaps return to our roots a bit. There will be an increased emphasis on public issues and advocacy during this administration, both at the state and national level. Ideally this will move down to the district and local level as well.

I want to thank those of you who came to the Sizzlin Summer Session. It is my hope that you found it to be useful, and a valuable way to spend a Saturday. We will be having a similar Winter Session in January, as well as a LEADS in February. Plans are already under way for both, but I'd love to have your suggestions for workshops, speakers, and more.

Have you booked your room at Litchfield Beach and Golf Resorts? It is so exciting to be hosting Southern Region Conference with our own Jackie Boland as SRC President. This is a wonderful opportunity for all of our members to meet our GFWC International President Babs Condon, as well as other GFWC Executive Committee members. SRC has two elected members of the GFWC Executive Committee, our own Marian St. Clair, and Alabama's Suellen Brazil, GFWC Treasurer. In addition, GFWC Parliamentarian Ida Dorvee hails from Georgia. This is an unprecedented opportunity, and I can't wait!

See you in October, if not before.

Caroline

Highlights GFWC Convention Arizona

- The end of June, fourteen GFWC-SC members attended the 2014 GFWC Annual Convention in Chandler, Arizona. As in the past, the convention was packed with lots of great information, wonderful meals and the opportunity to see old friends and meet new ones.
- Our own Shelli Pue, Junior Director-elect represented South Carolina as our LEADS candidate and we were able to help celebrate her success at the LEADS Breakfast on Saturday morning.
- During the business sessions and luncheons of convention we heard from such inspirational speakers as LaDonna Gatlin, author, singer and musician and Lily Koppel, author of the New York Times bestseller, The Astronaut Wives Club. We passed updates to the GFWC By-Laws and Resolutions, heard from each of our national officers, listened and took notes during presentations from our GFWC partner programs and we attended workshops to learn more about membership, leadership and communication to name a few. Tammy Garland and Laurie O'Kelly, GFWC-SC Past Presidents, were workshop presenters. Throughout convention achievement awards for 2013 were presented with South Carolina receiving awards in Arts, Home Life, Education and International Outreach.
- On Sunday evening, we celebrated the installation of Jackie Boland as the 2014-2016 Southern Region President and on Monday, we had the honor to vote for Marian St.Clair as the 2nd Vice President of GFWC. On Tuesday, we celebrated once again as the new 2014-2016 officers were installed and convention came to a close. South Carolina indeed had many accomplishments to celebrate in Arizona.

Fall is in the air and time to “Rake in New Friends” at your clubs membership recruitment event. This is a very important time of your club year as you begin anew and bring in friends to experience the pleasure of giving back to your community. Club Presidents received their Membership Packets at the Summer Sizzlin Session that included the Seasonal Recruitment Campaign postcards. The Seasonal Recruitment Campaign Report is now available on our website under Resources. Please be sure to submit your reports on time so that your club can be recognized in the Clubwoman Magazine.

I challenged each club to increase their club membership by 10% over the next year. Many clubs have a Membership Chairman, but it is the responsibility of all members to help with recruiting new members. Places that you may find new members are at your garden club meeting, at your local library book clubs, neighborhood associations and of course where you work or have worked in the past. Potential members are just waiting on you to ask them to visit and join your club.

Congratulations to the following clubs on recognition of their Club Anniversary at the Sizzlin Summer Session

**Palmetto Woman’s Club
30 Years**

**North Myrtle Beach
Woman’s Club
40 Years**

**Woman’s Club of
Columbia
70 Years**

As you are recruiting new members, be sure to keep an up to date list. We are going to be recognizing our “Star Recruiters” at all state meetings beginning with Winter Board. I have asked the club president’s to update your clubs recruiting records and return to me by November 1, so start working on your list now.

I am so excited to be serving as your Membership Chairman and the opportunity to start new clubs throughout our state and to help build our current club membership. I am working with your District President’s to obtain the names and address of all the local chambers of commerce in our state. We will be going out to meet with the chamber members to show them what GFWC-SC can do in their community.

If you have any ideas that you would like to share about recruiting and retaining members please call on me anytime at 803-665-9667.

Love,
Janet

Thank you Vicki Lovett, Woman’s Club of Cayce, for your wonderful idea to help raise funds for the GFWC-SC General Fund! The **GFWC-SC Women in Business Directory** was approved and is now being prepared to go “live” on our gfwc-sc.org website by October 1st.

The **GFWC-SC Women in Business Directory** will be an online directory for our members to advertise their individual business or where they work. That way if you are looking for a particular service, you might look to your fellow clubwoman to provide that service!

GFWC-SC Women in Business Directory forms are available on our website under Resources. The cost to advertise is \$25 for the first year then \$15 per year renewable on September 1 of each year.

This is a win-win project for our state. The General Fund will grow and because it is for an individual business it can be counted as an advertising/marketing expense. The biggest win is that we all learn something about each other that we didn’t previously know.

Spread Your Wings and Fly

The theme for the Program Council at our Sizzlin' Summer Session was Spread Your Wings and Fly. It is the start of a new administration, and there are lots of new projects, partnerships, and membership ideas. Our GFWC International President Babs Condon says in her welcome letter that "We need to dream big, reach higher, and continue to serve selflessly." Be sure to check out the 2014-2016 Club Manual available at http://www.gfwc.org/gfwc/2014-2016_Club_Manual.asp

As most clubs return from a summer break, I hope each club plans special events for the month of October. October is Domestic Violence Awareness Month, so I encourage members to wear purple (the color of Domestic Violence Awareness) to their club meeting. Please take a photo and post it to our GFWC-SC Facebook page (or email or text it to me and I will post it for you). GFWC Advocates for Children Week is October 19-26. March of Dimes is a GFWC Partner, and guess what? Purple is the March of Dimes color to raise awareness for Prematurity. One out of eight babies is born prematurely in the United States. Check out the March of Dimes website, www.marchofdimes.org/prematurity, to learn more tips that can be shared with members during the month of October.

Juliet Casper

Second Vice President

At our Sizzlin' Summer Session, four awards for our State President's Project were approved. Please consider projects that may fit the criteria for one or more of these awards.

Tiger Swallowtail Butterfly Award: Awarded to the General Club, Junior Club and Juniette Club that overall best incorporates the President's Special Project of Bringing Awareness and Respectability to the Subject of Mental Health with the six GFWC Program areas. Carolina Satyr Butterfly Award: Awarded to the General Club, Junior Club and Juniette Club that overall best incorporates the President's Special Project of Bringing Awareness and Respectability to the Subject of Mental Health with the GFWC Signature Project, Domestic Violence Awareness and Prevention. To be judged by Signature Project Chair, report due March 15.

Appalachian Brown Award: Awarded to the General Club, Junior Club and Juniette Club that overall best incorporates the President's Special Project of Bringing Awareness and Respectability to the Subject of Mental Health with the GFWC Junior Special Project, Advocacy for Children. Butterfly for First Place, Cocoon for Second Place and Caterpillar for Third Place. To be judged by the President's Special Project Chair, report due March 15.

Please mark your calendars and prepare to attend Program Council, Winter Board and the Reporting Workshop January 9th and 10th. Remember what Leis Carroll said, "One of the secrets of life is that all that is really worth the doing is what we do for others."

Kristin Fields
GFWC-SC

Recording Secretary

www.gfwc-sc.org

To my fellow Secretaries, As you know our job is to record the minutes for all club meetings. Remember to include the title of the meeting, the date and time, and those in attendance. Also note, the minutes are the official record of the final decisions made, so you do not have to scribe all of the discussion around the issue, just the final resolution. Plan to come to each meeting a little early so you will be ready once the meeting starts and bring those sharpened pencils!

Have a wonderful Fall!

Best Practice - Comparative Statement

Kathie Walker
GFWC-SC
Treasurer

A Comparative Statement should be prepared periodically to keep your Club Members and Executive Committee/Board aware of how well your club is staying within the budget. The statement should show each account in the budget, the budgeted amount for each account, and the actual disbursements against each account as of the report date. Here's a simple example of a Comparative Statement.

GFWC-SC
Comparative Statement for the Period January, 2014 - July, 2014

INCOME	BUDGET	ACTUAL	OVER(UNDER)
Membership Dues (50 @ \$100)	5000	4000	-1000
Donation	1000	1500	500
TOTAL	\$6,000	\$5,500	(\$500)
DISBURSEMENTS			
CSP' s	1000	800	200
Fundraising	1000	1000	-500
Postage	500	500	250
Officer Expenses	3500	2000	500
TOTAL	\$6,000	\$4,300	\$450

Calling all clubs: Generals, Juniors and Junioresettes... GFWC has chosen October 19-25 to be Advocates for Children week and I need your help! I am hoping to have 100% participation from the Palmetto state. Here are some ideas on how you can participate:

- Work with a local restaurant to help raise money for a charity in your area. Chick-Fil-A and McAlisters Deli often host fundraising events and donate a portion of sales from set hours.
- Hold a costume drive! This week falls right before Halloween, help collect costumes and donate them to a local shelter or school.

-“Feeding Our Future”- my special project. Feeding Our Future is aimed to benefit children thru food nutrition, life skills and by fighting childhood hunger.

-GFWC has more information on their website and ways to support our partners including UNICEF, Shot @ Life and March of Dimes.

For the members who attended Summer Board I hope you enjoyed the video I shared “Kid President, 5 Things that Make Summer Awesome.” I saw that people were liking, sharing and watching the video afterwards so thank you, thank you, thank you!

I look forward to attending upcoming district meetings and attending club meetings. I will be reaching out to all the Junior Club presidents this month to introduce myself, if you have any questions before then, please do not hesitate to contact me.

If you have any tips or suggestions that you think would be beneficial to other clubs I would love for you to share them with me. If you have a successful membership drive, maybe your ideas could benefit another club. If you have a great speaker that you feel could inspire others, let me know. We are all working towards the same goal of benefiting our communities and some of the greatest resources we have are each other!

In GF and Junior Love!

Northwestern District - Carrie Zimmerman

Greetings GFWC-SC,

My name is Carrie Zimmerman and I will be serving as the NW District President for the 2014-2016 term. I am very excited to be a part of this administration and the talent that the Northwest District has to offer GFWC-SC. I am also very excited for the President's special project, because I work in the field of Mental Health as a Wrap Facilitator with the Continuum of Care, State of SC. Our agency works with emotionally disturbed children and their families. I am very passionate about this field.

I live in Tamasee, SC with my husband Jason and my beautiful children, Zoe(12) and Gavin (5). I am very active in my community and am currently a member of Walhalla Junior Women's Club and serve as the Third VP. I also serve on the board of the Walhalla Civic Auditorium and have coached recreation sports through the Walhalla Recreation Department for about 10 years. I graduated from Central Michigan University with a B.A.A in Community Recreation and Parks Administration and have been doing volunteer work most of my adult life.

As I stated previously, the Northwestern District has lots of talent. We have clubs that come up with unique ideas and assist their communities on a regular basis. The different NW District clubs support their local domestic violence shelters, local schools, local libraries, individual city projects, food banks, neglected children, families in need and local animal shelters, to name a few. Each active club identifies their club's passion and executes very successful programs.

I look forward to getting to know each club and expand on their success by generating more membership and sharing project ideas with each other. I also am excited that the NW District is co-hosting the 2015 GFWC-SC Convention with North Central District in Greenville, SC.

We have a facebook page, GFWC-SC Northwestern District, and encourage all to like our page. It posts upcoming events, uplifting quotes and ideas for clubs.

Please feel free to contact me at either, czim22@gmail.com or (864) 710-5851.

Greetings to All of You Closet Writers!

It's time to come out of the closet and share your talents with the rest of us, please.

Caroline asked me to help with the creative writing contests and I am delighted to do so. Essentially there are two types of contests: one for GFWC-SC members and one for students in our public and private schools.

Any member can submit her own original creative writing short story (limit of 2000 words) and/ or poetry in any form (minimum length of 8 lines, maximum of 50 lines). It must have been written in the calendar year 2014 and never published. Authors must be amateurs.

Also, we can encourage creative writing in our schools by requesting submissions in the same two categories (short story or poetry). I know all of your children and grandchildren are writing in school. Let's reward them for their creativity. Contact the schools in your areas so I will have a bushel basket of stories and poems to read!

School grade categories are:

Category 1=K-grades 1,2

Category 2=grades 3,4,5

Category 3= grades 6,7,8

Category 4= grades 9,10,11,12

All entries must be postmarked on or before March 15, 2015.

They Watch, Listen and Learn

They say we are all a role model for somebody.
Have you ever wondered who that might be?
It could be a small child you met for only a brief moment
Or it could be that young adult – your advice they wanted.

We should always be aware of what we say or do
Because you don't know who may be watching you.
Live in a way that small child will be proud to say,
"I'm going to grow up to be like him/her someday."

Always be careful the advice you give so freely
Because you don't know who may be listening so keenly.
Search your heart when you give it away
So you will be proud when that young adult comes back your way.

We should always practice what we preach
Because by our lives, others we teach.
Yes, they say we are all a role model for somebody.
Have you ever wondered who that might be?

GENERAL FEDERATION of WOMEN'S CLUBS

To the most dedicated and generous women I know...my fellow Clubwomen:

Living the Volunteer Spirit is the epitome of our club work and I have no doubt this phrase will carry us well into the future with the same passion, dedication and willingness to serve. I hope it will catapult us into the next phase of Federation work together. When we take a moment to think about what the General Federation of Women's Clubs has done for this fine nation, it is a reminder that we have always asked the right question—related to that which was put forth by President John F. Kennedy, Jr.. We do not ask what our country or our communities can do for us, but rather what we can do for our country, our communities, our clubs, and all of humankind.

I am honored, privileged, and excited to serve as your president during this momentous administration and to work with the highly talented and energized executive committee and leaders from across the country and around the globe. Because of the stellar work you do and the visionary ideas from all levels of our federation, I firmly believe this is the start of our next 125 years for GFWC. As we celebrate the past 125 years of our organization, we will pause to consider the amazing work that has been done. But ladies, we simply cannot stop there. We need to dream big, reach higher, and continue to serve selflessly.

It will come as no surprise to anyone that our Headquarters will be a focal point of this administration. This is not just about the building, but more aptly it is about our presence as a respected federation “living” and thriving in our nation's capital. It is but one aspect of who we are and one step toward our resurgence as THE preeminent women's organization in the country.

What you do as clubwomen is nothing short of spectacular. You see a need and instead of deciding how best to tell others about the problem, you work together to identify solutions and put those ideas into action. It is as our *Collect* suggests, as we “put into action our better impulses, straightforward and unafraid.” In this world of fault-finding and self-seeking, let us forget not to be altruistic. In this world of turbulence and economic challenge, let us forget not to be constructive. And in this world that we have helped shape and continue to contribute to so positively by living the volunteer spirit, let us forget not to be kind.

Thank you for placing your trust in me and affording me this amazing opportunity to serve as the 50th International President of GFWC. From Junioresettes, to Juniors, to General Clubwomen—we are one. We are part of something much bigger than ourselves. Together, we are an international women's organization dedicated to community improvement by enhancing the lives of others through volunteer service. Together we are GFWC!

Yours in Federation,

Babs Condon
2014-2016 GFWC International President

GENERAL FEDERATION of WOMEN'S CLUBS

WELCOME to the 2014 – 2016 GFWC Administration! As Director of Junior Clubs, it is my desire to serve and promote GFWC. I pledge that I will work with all members, Generals, Juniors, and Juniores; listen to all members; and be available to all club members as we spread GFWC around the world. You are a valued member of this organization no matter what your membership class might be. Let's put into practice our motto "Unity in Diversity" in every aspect of club work.

I am thrilled to serve with our 2014 – 2016 GFWC International President, Babs Condon, from Maryland. Babs served as the 1998 – 2000 GFWC Director of Junior Clubs with GFWC International President Maxine Scarbro from West Virginia. This administration, those same states are represented in reversed roles and serving in these roles look to continue the tradition of community service. I am very honored and humbled to follow the service of these magnificent clubwomen.

Commitment and communication will be first and foremost for the 2014 – 2016 GFWC Juniors. With no commitment to serve GFWC, our state federations or our local clubs, how will GFWC grow? Who will serve in our communities to improve lives? Without communication among leaders and club members, how will we share information and implement new ideas and projects within our state federations and local clubs? How will we promote the work of GFWC throughout our communities?

In addition to being committed and driving open communication, GFWC clubwomen must have passion and enthusiasm. It will take passion to ensure that GFWC exists in the future. GFWC has so much to give to our world. Why would we hide the empowerment, resources and fun that GFWC offers? What better time to communicate and educate our members and communities about all we have to offer then as we celebrate our 125th Anniversary during this administration. Be proud and share the news of GFWC with your members and communities.

So I ask each of you to support the 2014 – 2016 GFWC Administration with a renewed commitment to service and to communicate the benefits of belonging to GFWC to your fellow members and communities. I look forward to serving together with you as we continue the great work of GFWC. By *Living the Volunteer Spirit*, we can make a difference in our communities and the lives of others now and in the future.

In Federation Service,

Cathy Jo

In Loving Memory

Pat Estep, a member of the North Myrtle Beach Woman's Club, passed away on July 24th, after a lengthy battle with brain cancer. Pat was a woman that truly lived the Volunteer Spirit and will be missed by her family, friends, and community. Pat served as President of her club and as Eastern District President several times. She chaired numerous committees in her club and on the state level. She served as GFWC-SC Treasurer during Marian St. Clair's administration. GFWC-SC awarded her its highest award, the Woman of Distinction in 2010.

Pat was a woman of grace and courage that will never be forgotten by those of us who were lucky enough to know her and call her a friend. In December 2012 the North Myrtle Beach Woman's Club roasted Pat and celebrated her accomplishments at a meeting. GFWC-SC Poet Laureate at that time, Janet Smalley, wrote the following poem in honor of Pat.

Pathblazer

Her steps are small, yet always Great;
Her progress always True.
Lead by her Love and Faith and Grace -
For causes old and new.
She never falters in the cause.
Never tires or loses the way.
But Pushes on to forge the Path -
Winding to the better day.
With Loveliness that inspires the rest
To take steps toward the goal:
Of Kindness, Mercy, and Strong Resolve
To make a better world for All.

Ann Gregg

July 28, 1937 - July 22, 2014

Ann Gregg had been an active member since the club was federated in 1984 and served as club president from 1998 to 2000. She was also active in St John's Episcopal Church and was awarded the Valiant Woman Award from Church Women United. Ann will be remembered as a dedicated clubwoman and wonderful friend who always had a smile to share. She is survived by her husband Walt, and two sons, Walter and William, and their families.
