LOGLINE

Two best friends contemplate the meaning of life and death as they try to decide the best way to put a pet ferret out of its misery...with their own hands.

SYNOPSIS

Based on a true story, "The Death of James" tells the unique journey of two young friends grappling with mortality as they are confronted with the impending loss of a cherished pet ferret. Humorous, awkward, and deeply heartbreaking, the film takes an unflinching look at death, loss, euthanasia, and the uncertainties that may or may not follow, viewed through the eyes of two characters navigating these challenges for the first time.

Renowned animation filmmaker Sam Chou and acclaimed writer Ellery Vandooyeweert, known for their award-winning collaborations, reunite to deliver a compelling dramatic short film, "The Death Of James."
