

# 2023-2024 Club Info Packet

Jellys Volleyball has been a beach volleyball club for the past 17 years and an indoor volleyball program for 12 years. Our club has grown to over 13 competitive teams in just the past 12 seasons. Our number one priority as a club program will be to put Christ first in all we do. We feel competitive sports can be played in a way that glorifies the Lord. We value your athlete and will teach them volleyball skills and life skills.

Christ centered club: Jellys Volleyball is a Christ centered club, we will be asking each athlete and their parent/guardian to sign a code of conduct statement acknowledging Christ like behavior. We will also be praying with the girls on a regular basis, and prior to each tournament we will have an athlete led devotional.

The additional travel fees will be up to each family's discretion. Most of the tournaments will be 2 days long and hotels may be necessary. We will make suggestions as to which, if any, hotel you might want to use, but it will be up to each family to make arrangements for their child/athlete and themselves. All athletes must stay with their own family. As a parent/guardian you are responsible to have your child onsite and on time for each tournament.

To secure your spot on a team a **\$500 deposit is required by 8/14/23**. Your remaining club fee is then due in two payments; 1<sup>st</sup> payment by 10/15/2023 and final payment by 1/15/2024.
