Northeast Chapter - Professional Car Society

SEPTEMBER, 1995

## NORTHEAST AT CADILLAC LA SALLE GRAND NATIONAL

Held in Albany, New York the Cadillac La Salle Club's Grand National Meet provided added enjoyment for five Northeast Chapter members who displayed their cars. In the Commercial Class Mike Barruzza grabbed a first with his recently restored 1974 Superior Flower Car, while Craig & Roseanne Stewart were awarded a third place for their 1976 Miller-Meteor Ambulance. Also entered in this class was Dan Herrick with his 1970 Superior High Top Ambulance. Sal & Jan Santoro placed third in their class, 1959-60 with their 1959 Coupe de Ville and Bill Wright placed second in the 1967-70 class with his 1969 Fleetwood 75 Limousine. Other PCS members in attendance at this meet were Carlton Ham taking second place with his 1967 Miller-Meteor Flower Car, Paul Cichon with his 1949 Superior Hearse, and Rick Stockellburg with his 1960 Miller-Meteor Hearse. Nice going all. Competition proved tough here as vehicles from all over the country and Canada are displayed.

CHAPTER DOINGS

At this time we wish to extend hearty CONGRATULATIONS to Mike Barruzza on his election to the office of President of the Professional Car Society. Since the Northeast Chapter was formed in 1986 Mike is the first member to be elected to this office. The membership wishes him well. Current Northeast member, Mahlon Thompson was President of the Professional Car Society from 1980-1982.

In order to give President Mike additional time to devote to both local and national work, effective with the next issue of the CRITERION Craig Stewart has consented to take over the helm of editor once again. He held this position when the chapter was founded in 1986. Any news, information, pro Car sell/swap, etc. can be sent to him at:

273 Hillcrest Avenue, Wood-Ridge, NJ 07075-1223

CHAPTER DOINGS (CONTINUED)

Sal Santoro recently purchased a 1959 Miller-Meteor Cadillac combination and has spent the long winter restoring this car into a tasteful replica of the Ghostbusters car of movie fame. Good luck. Why not submit a photo and summary for a future CRITERION!
