## UPDATE ON PASTOR DAVE

After 53 days in the hospital and rehab, then 53 *good* days at home, everything crashed! We're now into our 3rd hospital stay later. The oncologist says the cancer is growing and there's no more to do for Dave. We're not sure what this means for how long Dave is expected to have yet before he meets the Lord, but it will be sooner than later. Please continue your prayers as we process all that this means. Thanks for all your loving, caring, understanding.

—Kathy

## April 28, 2024

<sup>12</sup> You will go out in joy and be led forth in peace; the mountains and hills will burst into song before you, and all the trees of the field will clap their hands.

<sup>13</sup> Instead of the thornbush will grow the juniper, and instead of briars the myrtle will grow. This will be for the LORD's renown, for an everlasting sign, that will endure forever.

from Isaiah 55
