

NURSES ALUMNI ASSOCIATION OF THE WGH/HSC

2018-2019 NEWSLETTER

Welcome to the 2018-2019 edition of our newsletter. Thank you to mentors Donna Meder and Kathy Hamelin for their help as well as committee members Esther McKenty, Carol Galbraith, Brenda Smith and all the many others who contributed to this newsletter. Borrowing a quote from JML lecturer Brenda Laurie-Shaw, class of 73:

One Moment. It takes: One nurse one moment to impact a patient's life. One action to change the trajectory of a patient's outcome. Just think of all the moments that WGH/HSC Nurses have had over the course of their careers. Such impact...

I hope you enjoy reading about the impacts of your Alumni!

**Greetings from Alumni President
Kathy Hamelin (1971) 2017-2019**

As I begin my second year as Alumni President, I thank the Alumni Executive for their ongoing expertise and direction that keeps me on track and learning. I have thoroughly enjoyed working with this group of dedicated Alumni and meeting so many Alumni members this past year!

Our Alumni was established in 1904 to actively promote collegiality among members, to support their educational goals, and to preserve the rich history of nursing and the WGH and HSC. Communication among members is the glue that holds our membership together! Individuals responsible for this important task are the **Class Reps** who keep classmates informed, our **Newsletter Convener** who publishes our Newsletter and our **Webmaster** who maintains the Alumni Website. Thank you all! I welcome ideas and feedback from Alumni members throughout the year. Please contact me at any time at wghhsc.nursngalumni@gmail.com – or come to our Executive meetings (see dates on Page 1). Everyone is welcome!

I wish you all the very best in 2019! See you at our **115th Homecoming in May!**

Alumni Association News 2018

◆ **Honorary President for 2018-2020, Marlene Herman (1958B)** was welcomed. Marlene is most deserving of this honour as she has been class rep. for the Class of 1958B for over 30 years – and is truly the glue that holds her class together! Marlene joins **Dorothy Dunham (1952 A)** Honorary President for 2017-2019.

The Alumni Association says thank you and adieu to **Pat Chuckmala (1951)** Honorary President (2016-2018)

◆ **Honorary Life Member, Linda Pastetnik (1972B)**, a most deserving Alumni member was also added to our “Honoured 10”. Linda was nominated by her peers for her exceptional nursing expertise as well as her role in orchestrating the Reunion Homecoming dinner & luncheon for the past 21 years! Linda’s contributions were recognized in the presence of her family and class mates celebrating their 45th reunion at the Homecoming dinner.

◆ **In Memory of Audrey Lay Class of 1948
Jan. 1927- Sept. 2018**

We were saddened to hear of the passing of Audrey Lay. Audrey was an enlightened and empowered woman - from choosing her profession, knowing when to retire and when to die with dignity. Following graduation from the WGH School of Nursing, she spent her entire nursing career at the WGH, retiring in 1977. She volunteered for many years in executive positions with the Alumni and was awarded Honorary Life Membership in 2004. Last May, she celebrated her 70th Nursing reunion with classmates and family, including her daughter from the class of 72B. She will be missed by her family and many friends.

◆ *Celebration of Christine Byquist, Class of 1945*

Christine Byquist is an Alumni member whose impact on our nursing history is inspiring! In addition to her 30 year career as a PHN with the City of Winnipeg, Chris made a significant contribution to the nursing profession in Manitoba when she helped organize and then became the first President of the first nurses only union in the history of Manitoba. The process was not easy – as Christine and her colleagues met in each other's homes to discuss how to break away from the City of Winnipeg Union (CUPE) and form an association that

would focus on nursing and health issues. They actually mortgaged their homes to hire a lawyer to develop a collective agreement for nurses. A certification vote and hearing in front of the Manitoba Labour Board eventually lead to the formation of the Winnipeg Civic Nurses Association Local #1 – the first nurse only union in Manitoba history and predecessor to MONA and our present MNU. Chris was honoured for her initiative and courage that supports the careers of nurses today at the Homecoming 2018 dinner, with her proud daughter, Ruth Byquist (1973), present.

◆ *Alice Challoner (Larkin), Class of 1980, honoured at the new HSC Women's Hospital*

On December 9, 2017, the Challoner family and the Health Sciences Centre Foundation paid homage to an inspirational individual in health care: Alice Challoner (Larkin).

In Alice's memory, the Challoner family made a generous gift of \$250,000 to the HSC Foundation. The donation was used to develop a state-of-the-art integrated operating room in the hospital. Integrated operating rooms feature high-definition cameras that improve real-time information available to surgical teams. The signal from the cameras is also connected to a designated classroom in the hospital. The cameras improve both safety and efficiency in HSC's surgical program, while creating educational opportunities for nurses and other medical professionals.

In recognition of their gift, Operating Room #3 in the new HSC Womens Hospital has been named the Alice Challoner (Larkin) Operating Room. It will be the largest of three obstetrical operating rooms in the new hospital and it will help mothers deliver their babies in a safe and supportive environment. It features permanent structures for delivering twins, and triplets can also be accommodated.

◆ *The Alumni Bell*

The **Alumni Bell** is an important part of our Alumni history and a tribute to all of the Presidents of the WGH/HSC Nursing Alumni. This beautiful brass bell became a part of the Alumni shortly after the 50th anniversary/ Golden Jubilee celebration of our Nursing Alumni. The names and dates of all Alumni Presidents were listed on the bell until there was no more space available. The list was then continued by attaching plaques to the base as needed; this ensures that all Alumni Presidents are recognized - from 1904 to the present. In addition, a large WGH monogram crest graces the top of the bell. Since 1957, the Bell has been traditionally rung by the Alumni President to very effectively call the Annual General Meeting to order. The Alumni Bell is stored in the WGH / HSC Archives Museum – and loaned to the Alumni president each year for the AGM.

◆ *Ann Callaghan Thomas (1958)* was honoured in the Manitoba

Legislative Assembly on May 29, 2018 by Nahanni Fontaine, MLA from St John's Ward. Ms Fontaine recognized Ann's incredible life journey as a residential school survivor who went on to graduate from the WGH School of Nursing in 1958 as one of the first indigenous Registered Nurses in Manitoba. Ann is very deserving of this honour because of her life-long dedication to healing, wellness and learning – and her mentorship of young Aboriginal individuals, through her motto "if I can do it so can you!"

◆ *2018 Class Rep Gathering*

The annual Class Rep Gathering was held Saturday, October 20th, 2018 at the Gloria Dei Lutheran Church in Charleswood. Thirty- six Class Reps, Alumni members and Alumni Executive attended this enjoyable meeting. Everyone participated in lively discussions and a journey down memory lane!

The 2019 Class Rep Meeting will be held on Saturday Oct 19th from 2 to 4 PM at the Gloria Dei Lutheran Church, 637 Buckingham Road, Winnipeg.

All Class Reps. please mark your calendars!

◆ *Farewell to our Victoria Chapter*

The Victoria Chapter of the Nurses' Alumni Association was established in 1946. Throughout their history they have had 60-70 graduates on their roster, (the majority of the members from the Victoria area but as many as 12-18 from points north of Victoria). Their Chapter has traditionally met four times a year for luncheon, with an annual meeting taking place at the spring meeting. On average 20 members attended meetings. In recent years the Victoria members have travelled to Parksville to allow those graduates living up island to participate more fully in Alumni/ Chapter news and activities. Over the past several years the Victoria Chapter has made an annual donation to Archives/ Museum Collection Endowed Fund with the HSCF. In 2017 the Victoria Chapter was forced to disband as their membership was declining and aging Alumni were dealing with health issues. They

donated their accumulated membership fees to a local charity and sent their archival materials to Winnipeg to be added to our long and rich history.

Congratulations and best wishes to all those graduates in Victoria and up island who made this Chapter a thriving organization for 70 plus years.

◆ **Cookies in memory of Joyce Ewashko, class of 58B**

Joyce, the long standing friendship convener on the Alumni Executive, passed away suddenly on July 17, 2016. For many class representatives, not seeing her there at a class rep. meeting to greet all of us by name, made it feel like we were not in the right place. She knew so many Alumni members! In her memory and for her class’s 60th Homecoming celebration in May, Joyce’s daughters made these “nurses’ cap” cookies.

Archives/Museum Update

HSC Archives/Museum Email: hscarchives@hsc.mb.ca

Phone # 204-787-1170

The work of the HSC Archives/Museum includes standard archival work, answering reference questions, outreach activities and grant writing initiatives. In the past fiscal year, we received 52 acquisitions and answered 55 reference questions. Outreach initiatives included 13 articles for HSC Focus, and a continuation of the “Heritage Window” exhibits. The large exhibit this year was recognition of the 50th anniversary of the Renal Program.

We applied for and received a grant from the Federal Young Canada Works Summer student program. We were also awarded a Provincial Heritage Grant to document the graduates of Winnipeg General Hospital who served as Nursing Sisters during World War One. With matching funds from the WGH/ HSC Archives/Museum Collection Endowment Fund, an online exhibit documenting each of these graduates was created.

Access to this exhibit is through both the Alumni website and the HSC Archives webpage.

Thanks to the continued generosity of the Alumni through the Endowment Fund, research into the history of the Women’s Hospital and women’s health in Manitoba is underway, in preparation for the move to the new Women’s Hospital.

Your Association Needs Your Support

◆ **Volunteer Time**

Volunteers are always welcome to serve on our Executive. Each position is a 2 year term with 4 meetings a year. Help keep our Assoc. and Homecomings alive. Contact the Association now.

No Time? Donate money to help the Association

There are many options for individual, class and family donations to honour alumni members and/or special occasions. As membership fee income declines, the Association’s General Fund and the Jubilee Memorial Fund both need assistance.

◆ **The General Fund** uses monies for Association work – the website, meetings, the newsletter, to keep in touch with the chapters and to plan ahead for the Homecoming. To make a **donation to the General Fund** please write a cheque to the Nurses’ Alumni Association of the WGH/HSC, note the donation is for the general fund and send it to the Treasurer, Nurses Alumni Assoc. WGH/HSC NA 138- 700 McDermot Avenue, Wpg., MB R3E 0T2 (*perhaps renew your annual membership at the same time!*). You will receive a receipt and our thanks.

◆ **The Jubilee Memorial Fund** BN # 890598964RR0001 was established so alumni members and others could honour alumni and/or celebrate special class events and reunions. It is a registered charitable fund with Canada Revenue. It supports both the annual Jubilee Memorial Lecture at the Homecoming and the HSC Archives/Museum. Monies not required for the Lecture are transferred to the Archives/Museum Collection Endowment Fund managed by the HSC Foundation.

To make a **donation to the Jubilee Memorial** write a cheque to The Jubilee Memorial Fund and send to the Jubilee

Memorial Fund, Nurses Alumni Assoc. WGH/HSC, NA138 700 McDermot Ave, WPG., MB R3E 0T2. You will receive a Revenue Canada Charitable receipt. Your donation and "In Memory of" will be written in the Jubilee Memorial book held in the HSC Archives/Museum. An acknowledgment letter will be sent to the family of your deceased classmate/friend if you include the family's name and address.

◆ **The Archives/Museum Collection Endowment Fund**, with a balance of over \$300,000.00, is now generating annual grant monies for the Archives/Museum. The Fund still needs to grow to meet our goal of sustaining the archives/ museum in perpetuity. However, we do need to focus on supporting our General and Jubilee Memorial Funds. Should you wish to support the Archives/Museum Endowed Fund make your cheque out to the HSC Foundation and note on it "For Archives/Museum Endowed Fund". Send *directly* to the HSC Foundation, PW 112-700 William Ave., WPG R3E 0Z3. You will receive a charitable receipt from the HSCF and our thanks. ◆ ***Congratulations to Donna Meder (1961B),
New Alumni Honorary Life Member!***

Donna, a long standing volunteer on the Alumni Executive, will be officially inducted and recognized at Homecoming 2019.

Homecoming 2018

Another successful Homecoming was held in 2018. Groups continue to enjoy arranged tours of the Archives/Museum. The HSC Virtual Tour, presented again by HSC Chief Nursing Officer, Kathy Doerksen (Class 1982) and 3 HSC nurse managers, gave us up to date information on innovative programs at HSC.

***The 2018 Jubilee Memorial Lecture
From Caps and Capes to Computers:
Nursing is a Career of Possibilities***

as presented by **Brenda Laurie-Shaw, Class of 1973**, covered her varied nursing career experiences during the SARS epidemic and in telehealth and other areas of nursing informatics. Brenda highlighted nurse leaders that significantly affected her career and she ended with a list of what areas in nursing and what places in the world her class mates had worked. An impressive list!

The **2018 Homecoming Luncheon and Dinner** at CanadInns Polo Park were excellent thanks to the detailed attention given by the Homecoming Committee and Linda Pastetnik 1972B. The luncheon had an excellent turnout with 133 tickets sold. For the dinner, 286 alumni and guests bought tickets. As done in the past, the 2018 Jubilee Class was piped in by our Honorary Member, George Morrison.

WGH Class 58B "60th Reunion"

1958 B's "60th" Winnipeg General Hospital reunion was planned around the annual general meeting and homecoming dinner of the WGH/HSC Alumni Association. We were a class of 64 graduates of which 17 have passed away, and 3 have been lost through the years, leaving 44 out of which 25 made it to this year's reunion.

Thursday, after the general meeting, lunch was a noisy time as we had our first opportunity to start our celebrations. At an age of approximately 80 years young we were pleased to be able to be there. **Pat Cross** (McManus) arrived at the luncheon directly from the airport, with her family who travelled with her. Pat lives in Florida, but still has a mother residing in Winnipeg! Thanks to our classmate **Margaret Cuddy** (McCrary) who helped in the planning of our next two events: first - Thursday evening we met at Ralph Connor House at 54 Westgate at 6 PM for a chef planned wonderful dinner and visiting; second - Friday at 10 AM we had a guided tour of the Canadian Museum of Human Rights. Some of the ladies stayed for lunch at the Era Bistro.

Friday evening was the Homecoming dinner. It is a very special time, especially for our class this year. The visual displays on the walls showed pictures of our time as student nurses. When the 1958B year was announced, some very special classmates were honored:

Joyce Ewashko (Balacko) who passed away in 2016, was honored for her enthusiasm and work for the Alumni. At this time, Joyce's family honoured their mother by giving each of the attending classmates a memory 58B cookie in the shape of a nurse's cap.

Ann Thomas Callahan was honored in June 2006 when the new Critical Care Building was named after her, for her unflagging commitment to health care, community, and continuous learning. **Darlene Foster** was honored as 50 years ago, she was one of the primary nurses involved in the development of the ICU at the HSC and she was also involved in developing the ICU course which still stands today. And, **Marlene Herman** (Osborn) became an Honorary Alumni President for 2018 - 2019. Marlene was nominated by one of her classmates. She has been our class rep. for approximately the last 40 years, keeping us connected every year, letting us know about our classmates, good or not so good news, changes of addresses, births and deaths, and keeps continuous accounts of the "slush fund" for cards, flowers and donations.

There were 10 of us that met at the "Forks" Saturday for a 2 hour "Trolley City Tour" (over 85 sites) followed by lunch at the Beachcomber restaurant on the outside patio by the river. Our reunion was planned well. Time was short, and our age meant not all could participate in everything, but what they could attend they all seemed to have enjoyed. It is always great to see, listen, and share. God bless until 2023.

Class of 63 Celebrates 55 years

May 24- 26th , 2018 were three packed days of fun and fellowship as 44 nurses from classes 63 A and 63 B came from BC to Nova Scotia, California to Texas to celebrate their shared nursing experiences as students at WGH. Immediately we were 18 years young again laughing, sharing stories, singing along with Marjorie and the accordion and Jocelyn and her hurdy gurdy. It was non stop good fun.

After the Alumni luncheon, we booked time at the WGH School of Nursing Archives where there was a special display of nursing in the 60's that warmed our hearts. We stayed at the Fort Garry Hotel. There, with the wine flowing that night, the stories, music, song, dance and laughter filled our hearts to overflowing.

Being at the Fort Garry was like being in residence all over again. Fort Garry breakfasts are the best. That started us off for our walk along the waterfront to the Scottish beginning of Winnipeg at Fort Douglas and then the impressive guided tour of the Canadian Human Rights Museum. Lunch and a cold beer in the warm sunshine at the Forks gave us just enough time for a quick siesta before the wine and cheese and limousine ride to the Alumni Homecoming dinner to connect with all the other classes. To the tune of *Moon River*, we all stood up and sang our class song, accompanied by Jocelyn on her hurdy gurdy.

Saturday morning welcomed us with a guided tour by limousine that championed the great city of Winnipeg and delivered us to the door of the Terrace Room at the Park Cafe in Assiniboine Park for our Remembering and Farewell Luncheon. It too was a first class event with our great Manitoba foods, our shared memories of classmates who have passed on and most of all our enduring friendships over the 55 years as class mates of WGH Class 63. Once again we had been reunited and reenergized with fellow classmates. We look forward to good health and being able to return for the next one in 2023.

Class of 68, Jubilee Class

May of 2018 was a remarkable Jubilee celebration for the class of 1968, one of the largest classes at the WGH and their grad ceremony was the first event at the brand new Centennial Concert Hall.

There were 50 classmates at the reunion and a fabulous time was had by all!

Festivities began with a dinner at Fort Gibraltar which was a wonderful venue to start things off. There was a great reliving of memories of our 3 years in residence and the 50 years since.

Thanks to one of our classmates, we had an amazing memorabilia table with all our books, class schedules, ward rotations, etc. It was a wonderful trip down memory lane!

There was a lovely tribute to the 13 classmates we have lost, and a binder of bios that many classmates shared of their 50 years since graduation.

On Friday afternoon a group of classmates were guests of the Lieutenant Governor for a Tea and Tour of Government house hosted by the Honorable Janice Filmon. It was a very enjoyable afternoon.

Friday evening was the reunion highlight. As the honoured Jubilee guests, we were piped in to dinner. It was a very special and emotional experience and one we won't soon forget!

A farewell luncheon was held on Saturday, a last chance to reminisce and promise to keep in touch.

It was a wonderful reunion and made us remember the importance of keeping in touch with those that were a big part of our lives for 3 years. We look forward to doing it again in 5 years!

Homecoming 2018, Class of 73

May 24 and 25, 2018, saw our class of 73 celebrating our 45th reunion.

We were very fortunate to have our classmate, **Brenda Laurie-Shaw**, selected to speak at the Jubilee Memorial Lecture. 33 of our classmates were in attendance to hear her speak and attend the luncheon. It was here that our reconnection began.

Following the luncheon, 10 of us ventured over to the Isabel. M. Stewart building and toured our world renowned Archives. For some of us it was the first time to visit. A quick sneak up to see our old rooms brought a touch of nostalgia.

Thursday evening found 63 of us gathered at the Legion on Henderson Hwy, for an evening of food, drink and friendship. Not really a kitchenette party, but pretty close. It is truly amazing how every 5 years, once everyone is together, it is like we never left each other. Many stories and pictures of the old days and the new ones of grandchildren and retirement were shared throughout the evening.

With enough food to feed the legion, which we did by the way, we closed up after midnight. A beautiful cake, adorned with our cap, red roses and pin, was provided by **Glenda DeGrave** (Cook).

Thank you to **Gail White** (Tucker), for arranging the venue.

Not wanting a "too early" start on Friday, 23 of us met after lunch at the Museum of Human Rights for a 90 minute tour. For some, it was a first visit and for others it was another memorable tour.

This was a real highlight for us all.

Sixty four of us gathered for the Homecoming dinner. We had classmates from as far away as Windsor, CO, USA (**Lenore Olson Hagglund**), Yellowknife, NT (**Myrna Matheson**), and many more from across Canada. True to ourselves, we sang "We are the General Girls" at roll call, were the noisiest class, and once again, closed the ballroom down after midnight. **Ruth Byquist** attended with her mom from the class of 1945.

We are well aware that there will be changes past the 2022 Homecoming, but it is our hope that the Alumni continues to thrive so we too can be piped into the hall as many before us have. Regardless of where the event is held, I encourage my classmates and all others to continue to support our WGH/HSC Alumni.

Thank you to Glenda DeGrave for all her support and assistance with our reunions over the years.

AGM 2018 President's Remarks

My first year as President of our Alumni has been a time of intense learning and I thank the amazing Executive team for sharing their wisdom with me. With declining membership, there is concern for the future of our alumni organization. However, the Executive remains steadfast in their commitment to this organization and ensuring membership interests are preserved. Communication among members is an Alumni priority. I sincerely thank all the Class Reps for their role in keeping their classmates up-to-date, our Newsletter Convener for publishing our Newsletter and our Webmaster for maintaining the Alumni Website. These forums keep members informed!

I have met many incredible nurses in my first year as Alumni President - all bonded together by their identity as a nursing graduate of the Winnipeg General Hospital or Health Sciences Centre School of Nursing. Meeting these alumni has truly been the highlight for me – and I look forward to my next year as your President.

The Alumni Association Executive wish to thank all those who donated to this Fund over the past year(s) – to remember classmates and special events and to support both the annual lecture and the archives.

Chapter Correspondent's Report

Over the past year, communication with Chapters included minutes of Executive Meetings, the Class Rep Meeting and notices of Homecoming events. Talking with each Chapter President helped to understand membership, activities, and challenges for all chapters. Assistance was offered if indicated.

The Victoria Chapter (President Anne Kennedy) meets 3-4 times a year but is struggling with declining numbers. Last year the Chapter forwarded their materials to the Archives / Museum to document their history as a Chapter of the WGH/HSC Nursing Alumni; these materials will be retained in our Archives to add to our rich history as a nursing organization.

Okanagan Chapter (President Sharon O'Shaughnessy) is doing well. They meet twice a year with an educational component.

Although 15 members attend each meeting, 40 people are registered with the Chapter.

Edmonton Chapter (President Darlene Smith) meets once a year for lunch. Some of the graduates from the 1940's who founded the Chapter are frail and not able to attend meetings; the Chapter provides support and friendship to these members. Darlene will be in Winnipeg celebrating her 50th reunion in 2018.

Calgary Chapter (President Danielle Swerhone)

The Calgary Chapter was less active in the past year due to family illness and loss. They have 27-30 alumni on average attending meetings.

Friendship Convener Report

After assuming this position in June 2017, I asked Class Reps and Executive to forward happenings in the membership to my attention. This year, our Executive agreed that it is acceptable to express condolences on online Memory Pages if offered on the obituary site. This is very personal and easy to accomplish. Since June, I have sent 2 sympathy cards, 7 Thinking of You cards, 2 Birthday Cards, 1 Congratulatory Card, 1 Christmas Card, and 5 on line condolences to Memory Pages. I also made one visit to an alumni member at Deer Lodge Centre. I received a note from a family member saying her mother 'was touched to know her well being was of concern to the Alumni.'

Our Alumni is 115 years old this year!

This year we celebrate the 115th anniversary of our Alumni and our accomplishments over that time!

- ◆ The first work of the Alumni in 1904 was to draw up a Directory of Nurses to ensure that "a nurse" had successfully completed a recognized nursing program of studies. These early initiatives to protect the public evolved into the Manitoba Association of Registered Nurses (currently the College of Registered Nurses of Manitoba) - with Manitoba leading the way for these Directories across Canada.

- ◆ Through the years, our Alumni raised monies to sustain themselves through membership fees, donations, and the annual Fund Raising Tea. Then in May 1968, Jane A. Malcolm (1919) left the Alumni a large bequest to provide financial assistance for students. The principal was transferred to the Winnipeg Foundation and became the Jane A. Malcolm Bursary Fund. Evelyn R (Roberts) Laughton (1933) added her bequest to it in 1997. In the years since, grants from this Fund have supported many of our alumni to further their nursing education. The Viola Leadlay Nursing Education Endowed Fund, begun with a bequest from Viola Leadlay in 1983 and, now managed by HSC Foundation, similarly provides grants to support ongoing education for both HSC nurses and Alumni. What foresight these nurses had!

- ◆ The Homecoming Dinner became an annual event in 1910. This yearly occasion is an extraordinary gathering which brings classmates together and celebrates special reunion classes each year. The Jubilee Memorial Fund, established in 1979, continues to support an annual health related lecture during Homecoming.

- ◆ In 1907, the Alumni Association began publishing the Alumni Journal, to maintain communication and cohesiveness among members. In 2012, this method of communication was changed to an Alumni Website and an annual Newsletter; both continue to inform members of Alumni happenings!

- ◆ The Archives/Museum began in the 1900's when volunteers retained materials and described events that would become historically significant. It has grown into one of the major archival holdings in Winnipeg and beyond. Documents,

photographs and artifacts are currently a treasure trove for researchers, scholars, film makers, current and former students and others. In 1988, the Administration of HSC requested that the Alumni become responsible for the historical archives of the entire complex. And in 2008, our Association entered into a formal agreement with the Health Sciences Centre Foundation (HSCF) to establish the Archives/Museum Collection Endowment Fund whose goals are to provide monies for the professional management, preservation, and enhancement of the Collection in perpetuity.

◆ Our Alumni history outlines many ground-breaking ideas and activities that support our Alumni members. As a result, today's grads are providing innovative bedside care, research, education or engaging in other health related activities.

So please stand up and be proud of our Alumni, of Nursing and of YOU! And consider volunteering to help us keep this organization going strong!
