

Practical Intuition
Episode 2: Where does it come from?

Where does it come from?

Your Soul

Your Soul

- Higher Self
- Your Spirit
- Real you; authentic you
- Individualized Self
- Beyond the physical body
- Not limited by body

Spirituality, Religion, & Physics

- Organizing principle of the Universe
 - "I am a part of God and God is all of me."
- "Subject and object are only one. The barrier between them cannot be said to have been broken down as a result of recent experience in the physical sciences, *for this barrier does not exist.*"-- Erwin Schrodinger, Nobel physicist
- Divine expressing itself through you, as you
- "Multiplicity is only apparent, in truth, there is only one mind."—Erwin Schrodinger, Nobel physicist

Steve Jobs

"Your time is limited, so don't waste it living someone else's life. Don't be trapped by dogma – which is living with the results of other people's thinking. Don't let the noise of others' opinions drown out your own inner voice. And most important, have the **COURAGE** to follow your heart and intuition. They somehow already know what you truly want to become. Everything else is secondary."
