

T LIVES HEALTHCARE LTD

"A helping hand to the best of you"

DEMENTIA CARE

In our commitment to serving seniors experiencing a decline in their cognitive abilities, we recognise that **the way in which we communicate** is paramount, and strive to **individualise our approach** to each person.

PHYSICAL HEALTH CARE

We support and encourage our service users to **stay active**, promoting their **physical and mental health** which, as a result, positively impacts their **wellbeing**.

PERSONAL CARE

We provide discreet and sensitive personal care such as **bathing, dressing, shaving, and toothcare**. As a service user, **whatever is important to you**, we will work together to help you feel yourself again.

SOCIAL CARE

We can **work together to plan social events** as well as coordinate and support our service users in attendance should they choose to do so.
