DPW/Wastewater

President Fish reported that the lagoons are drained and he is waiting on a plug for the generator. He is hoping to have it up and running by Thursday. There will be an inspection next week. A new boat was purchased for \$900; the other boat finally sank. The Simplicity Mower will be able to stay out at the lagoons in the new pole barn. This will save on wear and tear.

Fish is still looking for workers to help around the village. Austin Rose was hired and is doing a fantastic job; he is a hard worker. They have made some improvements to the park. They were able to paint the picnic tables and swings. They also cleaned up the trash. The garages have also been cleaned and scrap metal was taken back for a tiny profit. Rich is hoping to start painting the inside of the hall next week. He mentioned wood from one of the archways needs to be replaced.
