DPW/Wastewater

President Fish has been working on drain work and brush pick up in the village. It will cost about \$4000 to clean out the Parker Street drain. Fish said he will hire Steve Tkaczyk to do it. There has been some vandalism at the park, broken lights, and unnecessary stacking of picnic tables.

It is time to drain the lagoons again. The motor in the new boat quit working. Fish is hoping it can be repaired, the cost would be cheaper than a new motor.

Fish said he applied for a grant to get a CO2 detector and a harness.
