Public Comment

Chief Ferguson let the council know that the Oakley Community Church would be holding a mobile food drive tomorrow and he would have some of the roads blocked off to help with the flow of traffic.

Fish informed the council that a new automotive business opened next to the post office.

A concerned citizen asked why Bockee Street had not been paved or at least the pot holes filled in. Fish said he filled the holes with stone crete and there is no plan to pave Bockee Street. It was also recommended that Fish sit at the other end of the table so audience members can hear better. Clerk Hart noted we are habits of creature and not used to having people attend meetings.

Scheuneman made a motion to adjourn, seconded by T. Fish. Motion carried.

Meeting Adjourned at 7:50PM.
