

Town of Lafollette
Liquor license meeting
May 8, 2023

Attendance: all board members, presenter, 4 town members

Meeting was called to order 7:00 pm

Verification of posting

Claudia Lee from the Burnett County Tourism Coalition came to do a presentation for room tax. Tourism has increased about 62% since covid. The three things it will accomplish is that it will get data, will provide the town money, and will also provide money for the tourism industry. They are trying to provide a draft ordinance if the town is interested. 25% goes to the town and 5% to administration of the tax and 70% goes to the tourism coalition. Burnett County is the only county in the state not doing this.

Meeting minutes were read from April 10 meeting were approved by Scott and seconded by Mitch.

The treasurer's report was read by Darwyn and approved by Scott and Mitch seconded it.

Monthly balance status report was read and explained by Scott.

The website is up to date. Mitch is added to the home page. Weight restrictions were deleted. Notice of open book and BOR are on the pop up. The calendar is up to date.

Road items: Road inspections were done as planned. Williams Road gravel has held up well. Warner Lake Road is really bad along with Indian Creek Road. Herrick Road has dropped from a 5 to a 2, Warner Lake Rd dropped to a 2 or a 1 and Indian Creek Road is the same. Dewey township isn't going to blacktop Williams Road this year. It can be put out for bids this summer or wait until next year and put out for bids the same time Dewey township does next year. An ad will be put in the paper for Warner Lake Rd 2.1 miles to grind, gravel, and pack the road. It will be discussed again at next months meeting. Trees are planted on the right of way on Coyour Rd. In 10-15 years will be a big problem. A draft letter will be written from the board explaining the road right of way and we can review it next month. Vesely and Moser Road are still posted.

Resident issues: Board of review alternates are Mike Tarnowski and Dana Daniels

Banking: Darwyn made a motion to add Scott as a signer and Mitch seconded that motion.

Meeting adjourned at 8:17 pm by Scott and seconded by Mitch
