Return to Work after Serious Injury or Illness

The Human Resource Department shall ensure that employees who return to work after a serious injury or illness are physically capable of performing their duties or assignments without risk of re-injury or relapse.

If the cause of the employee's illness or injury was job-related, the employee's supervisor will make every reasonable effort to assign the returning employee to assignments consistent with the instructions of the employee's doctor, if assignments requested are available, until the employee is fully recovered.

Taylor County Fiscal Court desires to provide its staff and the public with a reasonably safe and secure environment and to provide reasonable protection for the financial and material assets of Taylor County.

satisfactory. Taylor County Fiscal Court reserves the right to discharge "at will."

Any employee who is absent from work for 2 consecutive scheduled work shifts for reasons other than those set forth under approved leave provisions herein will be considered to have abandoned the job and will be deemed to have resigned, and his or her employment with Taylor County Fiscal Court shall terminate immediately.

Employee Benefits

Your net salary does not tell the whole story of your work compensation. Beyond your paycheck lies a hidden paycheck that adds more than 45% to the real value of your salary. These dollars come to you as fringe benefits of your employment in the form of cost to the County for insurance, retirement, social security and various types of leave time.

Payroll Deductions

The following mandatory deductions will be made from every employee's gross wages: federal income tax, Social Security FICA tax, applicable city and state taxes, and employee retirement contributions (eligible employees only).

Every employee must fill out and sign a Kentucky withholding allowance certificate, IRS Form W-4, on or before his or her first day on the job. The employee may fill out new forms any time when his or her circumstances change.

Other voluntary contributions, such as deferred compensation, insurance plans, and fringe benefits will be deducted each pay period.

Note: Every employee will receive an IRS Form W-2, for the preceding year on or before January 31. Any employee, who believes that his or her deductions are incorrect on his or her W-2, should check with the Human Resource Department immediately. Your supervisor will give you time to do this during the workday.

Call-Out Compensation

Employees called out to work shall be paid a minimum of 3 hours at their regular rate of pay; employees called out who work more than 3 hours shall be compensated for hours actually worked, at their regular rate of pay. If the employees called out have already worked 40 hours, the compensation for call out shall be at the employee's overtime rate of pay.

Called-out applies when an employee has been away from work at least one hour after their regular work day has ended. This is for emergency situations only and must be approved by the County Judge/Executive or Department Supervisor.

Overtime Compensation

Non-exempt employees will be paid at the rate of one and one-half times their regular hourly rate of pay for all time worked in excess of 40 hours in any one workweek. Vacation, holiday, sick and personal leave, any leave taken, or any time off does not count toward the 40 hours in overtime calculations. Overtime pay will be calculated for time actually worked over 40 hours.

Overtime is never at the employee's discretion. It shall only be incurred and paid at the request of the County Judge/Executive or the employee's supervisor. Supervisors shall ensure that no unauthorized overtime hours are worked.

Wage Increases

The annual budget may include wage increases for the budget year effective July 1 annually, subject to availability of revenues.

Individual adjustments may be made during the year with Taylor County Fiscal Court approval and subject to availability of revenues for probationary completion, etc.

If an employee calls in and leave has not been approved in advance on the last scheduled day before a holiday, the day of the holiday, or the first scheduled day following the holiday the employee will forfeit holiday pay. A no show will result in no holiday pay.

Only regular full-time employees are eligible for holiday pay. Part-time and temporary employees are not eligible for holiday pay.

If a regular full-time employee is required to work on a scheduled holiday, the employee will receive his or her regular pay for hours worked and will also receive holiday pay. If a part-time or temporary employee is required to work on a scheduled holiday, the employee will be paid for hours worked at his or her regular pay.

If a designated holiday falls within an employee's vacation period, the holiday is not considered a vacation day.

Cell Phone Policy

As an employee of Taylor County Fiscal Court, you're eligible to have a County cell phone or receive a Cell Phone Stipend if you demonstrate a valid business purpose by meeting specific criteria, and you have the approval of the County Judge/Executive. However, due to financial considerations, meeting the criteria doesn't guarantee participation.

Cell Phone Participation Criteria:

Management, when approving an employee's participation in the County cell phone program, should consider the following criteria:

Management: You are in a managerial role and a critical component of your job responsibilities are contact with staff, clients, and other management.

Emergencies: You could be called upon to solve critical issues that may arise during the day.

On call: You are either on call or expected to respond to problems during non-business hours.

Personal use of Cell Phones:

Taylor County Fiscal Court recognizes that employees with County issued cell phones prefer to carry just one cell phone and that personal use is acceptable as long as it doesn't violate Taylor County policies. Refer to the Taylor County Stipend Policy for a Cell Phone Device which is part of the Taylor County Administrative Code or separately adopted by ordinance by Taylor County Fiscal Court.

Fringe Benefits

IRS considers some fringe benefits as taxable income. These benefits are subject to employment taxes and must be reported on Form W-2. Fringe benefits may include, but not limited to, County provided vehicles, uniforms, etc.

Retirement

Taylor County Fiscal Court participates in the non-hazardous County Retirement System and hazardous County Retirement System (CERS), which is part of the Kentucky Public Pensions Authority. CERS contribution regulations are established by the Kentucky Legislature and are mandatory for all Taylor County Fiscal Court eligible employees. Eligible employees are all regular full-time employees and regular part-time employees who work 100 or more hours a month.

Employee contributions paid to Kentucky Public Pensions Authority are deposited to individual member accounts. Employer contributions

are deposited to the Retirement Allowance Account and the Insurance Fund and are used to pay monthly benefits to members and to fund the expenses of Kentucky Retirement System. When an employee retires, his or her individual account balance is transferred to the Retirement Allowance Account.

Employee contributions are made on a before-tax basis and are automatically deducted. This means contributions are withheld from employees' gross pay before state and federal taxes or FICA is withheld.

Kentucky Deferred Compensation

Taylor County Fiscal Court participates in the Kentucky Public Employees Deferred Compensation (401K) Plan. Contributions can be made by a payroll deduction. For enrollment information contact the Human Resource Department.

An employee who has accrued a personal/sick leave balance of more than 40 hours may request that the County make available for transfer a specified amount of his or her personal/sick leave balance to another named County employee.
