Yes you can leave

Kevin gorrasi 01/26/19 4:54 PM
I'm busy at the moment. Please text me.

Me 01/26/19 5:13 PM
Hi kevin. I left a voice message for you, thank you, robert malek.

Kevin gorrasi 01/26/19 5:18 PM
I heard it. I can't control how joe and Minnie play. There were no marks or bruises on her so there is nothing I can report. I will say it again I only involved with the two hours we spend together. I saw or heard nothing suspicious from your daughter

Me 01/26/19 5:18 PM
But minnie said joe threw her and she injured her tongue.

Me 01/26/19 5:19 PM
She stuck out her tongue to show

Kevin gorrasi 01/26/19 5:20 PM
I didn't see anything suspicious and I heard they were playing .

Me 01/26/19 5:21 PM
I can't believe this. Minnie said joe THREW her and she injured her tongue. She even stuck it out to show!

Kevin gorrasi 01/26/19 5:21 PM
They could have been playing and she accidentally bit her tongue. It's not abuse as I see it. You can contact Mrs Hudson if you feel it needs to be addressed.

Kevin gorrasi 01/26/19 5:22 PM
There was no bruise or mark on her tongue. I'm not discussing this any further.

Me 01/26/19 5:22 PM
She said joe threw her.

Me 01/26/19 5:23 PM
She stuck out her tongue. You didn't even come over to look

Kevin gorrasi 01/26/19 5:23 PM
Call Ms Hudson if you feel it needs to be addressed.

Me 01/26/19 5:23 PM
They could have a lot of things. She said joe threw her and she injured her tongue. She stuck out her tongue to show me. You didn't even look.

Kevin gorrasi 01/26/19 5:23 PM
If be happy to tell her what I heard and saw

Me 01/26/19 5:24 PM
Can I throw minnie at visitation?

Me 01/26/19 5:26 PM
Minnie said clearly that joe threw her and she injured her tongue and stuck it out to show. This is the truth. Such behavior is extremely dangerous to my daughter.

Kevin gorrasi 01/26/19 5:26 PM
You are an adult of course not. I suggest you do not ask such questions. Call Mrs Hudson on Monday.

Me 01/26/19 5:26 PM
Minnie has been injured several times in this manner that I have proof of previously.

Me 01/26/19 5:27 PM
It is a rhetorical question.

Hi mike.

note, sometimes i type in all caps or all lowercase for speed...

here is the march 4 cfs report page

note where kevin states that minnie reported that she was playing with Joe (note : she was only 4 years old here.

then,, go to text messages where he states :

COULD HAVE BEEN PLAYING.

HEARD THEY WERE PLAYING....

THEN ALSO WHEN THERE WAS A SCRATCH AND A RED MARK ON MINNIES FACE AS I DESCRIBED.

WHEN HE SPOKE, HE ALSO SPOKE IN TERMS ONCE OF A SCRATCH AND THEN NEXT, AS A RED MARK.

SHE HAD BOTH..... JUST AS I HAD SAID....

HE HAD NO COMMENT ABOUT MINNIE SAYING SHE WAS SCARED.

HE SAID HE WILL TALK TO THE MOTHER...

I AM NOT ADDRESSING ANYTHING ELSE IN THE REPORT REGARDING ME. IF SUCH IS REQUESTED, I CAN.
I PUT TOGETHER A 500 PAGE PRESENTATION FOR COURT AND FILED IT LAST YEAR REGARDING TWO COURT
REPORTS OF MARCH 4 AND MA7 7.

IT IS EASY TO MAKE ACCUSATIONS AND STATEMENTS. IT IS EXTREMELY DIFFICULT TO REFUTE FALSE
STATEMENTS AND PROVIDE THE EVIDENCE AS SUCH.

HOWEVER, I AM GOOD AT IT WHICH IS WHY I AM PUSURING THE LEGAL AND INVESTIGATIONS CAREER.

SINCERELY,
ROBERT

Call Mrs Hudson on Monday.

Me 01/26/19 5:27 PM
Why is it acceptable for joe to throw my daughter but not me or you? She is getting injured. Such conduct is unsafe and has caused her injury.

Me 01/26/19 5:28 PM
She said joe threw her and she injured her tongue. It's just that simple.

Me 01/26/19 5:29 PM
Joe is about 5 foot 10 and 200 pounds throwing my 35 pound 4 year old daughter and she has been injured again. This isn't 4 year old rough and tumble.

Me 01/26/19 5:30 PM
Minnie should not be thrown by anyone. Are you saying it's ok for joe to throw my daughter, causing her injury?

Me 01/26/19 5:31 PM
Minnie said she was scared. She is being thrown. I'm sure you wouldn't approve of joe throwing your children causing them injury.

Me 01/26/19 5:32 PM
She has suffered head injuries that I have photos and videos of in regards to joe throwing her. Now this is apparently continuing. I remember I looked at you as soon as she said this. I even asked her what did you say? And then she repeated it for you and I. You typed what she said. Are you misremembering?

Me 01/26/19 5:36 PM
So an adult show not throw a child but it is ok for a 5 foot 10 200 pound male child to throw a little girl repeatedly, causing her previous and present injury. How are you unable to see the danger of this. No one should be throwing anybody!!!! This is why children should be playing of their own age.

Kevin gorrasi 01/26/19 5:39 PM
I saw no injury. I'm not calling in a case over this if that's what you're hoping to get me to do.

Me 01/26/19 5:40 PM
Did I say that? Why are you putting words in my mouth and assuming derogatory things?

Me 01/26/19 5:43 PM
It's just very simple. Minnie said joe threw her. We heard it. I asked her to repeat it. She repeated it for us. She stuck out her tongue to show. She was facing me, not you. You were unable to view her tongue from your position. This is the truth. I am informing you of background. There is a pattern.

Me 01/26/19 5:43 PM
I never told u what to do with ur information.

Kevin gorrasi 01/26/19 5:44 PM
Then what would you like to come out of this?

Me 01/26/19 5:51 PM
Kevin, I am not trying to manipulate an outcome or anything as if I have an ulterior motive. I am worried, troubled. You have been nice to me there. U have experience. This is my daughter. I love her with all my heart. There has been a pattern. What I do know is this type of activity is causing her injury and is quite risky.

Me 01/26/19 5:53 PM
If such activity has caused her injury before it shouldn't be continued. This isn't while playing baseball. The " activity " of a child being thrown is not sensible and is improper. Not to mention damgerou.

Me 01/26/19 5:53 PM
Dangerous

Me 01/26/19 5:57 PM
Minnie doesn't have vocabulary like " abuse " or I didn't give consent. It's an activity that has caused her previous injury , crying and is being continued and is rather risky. Acs didn't care. Hoped u would for her. This isn't about me kevin. It is about her.

Kevin gorrasi 01/26/19 5:57 PM
Call Mrs Hudson on Monday.

Kevin gorrasi 01/26/19 5:58 PM
I'll talk to the mother and tell her to be sure she watches their play to assure joe isn't too rough.

Me 01/26/19 7:25 PM
Thank you kevin. The activity of minnie being thrown, causing her injury is not good. I know of no daycare that approves or implements such activity, nor do you. Furthermore, when u know the history of her previous injuries as I told you where she was crying as well, it brings into question whether or not this is just inappropriate dangerous play or further downright non consensual intentional mental and physical abuse. I don't know why a child would want to engage in an activity that has previously hurt them and made them cry. Nor do I understand why mother margaret allows this to continue. At least you care to say something. Finally someone has. Thank you. I couldn't respond since I was working or I would have earlier.

Me 01/26/19 7:25 PM
Have a good evening. Thank you, robert

Me 01/26/19 7:26 PM
Talking to mrs hudson will prob be a waste of time like before. At least ui care to say something. Thank you once again.

Me 01/28/19 5:16 PM
Hello kevin. I bought oakley sunglasses for mother margaret to help protect her eyes. Can I buy them for our daughter to help protect her eyes? , robert

Kevin gorrasi 01/28/19 5:57 PM
If you'd like to spend that money on glasses for a four year old go right ahead.

Me 01/28/19 7:46 PM
Kevin, My daughter is worth every penny. Oakley has an entire line of youth sunglasses for children. A child's smile is worth more than money. Look forward to seeing u tomorrow, thank you, robert.

Me 01/29/19 8:26 AM
Hi kevin. On 11th floor. 8:26, robert malek

Kevin gorrasi 01/29/19 8:27 AM
You're early. I'll be out when Minnie arrives

Me 01/29/19 8:28 AM
Can u let me in?

Kevin gorrasi 01/29/19 8:28 AM
I'm not in yet

Me 01/29/19 8:31 AM
I know I'm early. Don't rush.

Me 01/29/19 8:52 AM
Kevin can I please use the bathroom?

Me 01/29/19 12:18 PM
When can I leave?

Me 01/29/19 5:09 PM
Hi kevin. Had a nice visit today and thank u for the time cushion to make the late not impact my daughter. Also thanks for being willing to contact hudson for more visits. My lawyer brian is working on this as well. I have one question. At the end, just before minnie walked out within the last minute or so and / or maybe during clean up, do you recall if she said i'll see you tomorrow? Thank you, robert

Kevin gorrasi 01/29/19 5:11 PM
I think she said see you soon. There's no visit tomorrow. She seemed fine and transitioned very well back to her mother

Kevin gorrasi 02/08/19 11:51 AM
Ok we have the order. 2 visits 2 hours each a week. Can you do Monday and Tuesday next week from 9-11?
