**Become a Sponsor** and partner with us to connect and educate our community families through our annual Antique Tractor Show and Threshing Bee. Whether your sponsorship goals are oriented toward business development, community development or customer appreciation, our annual show attracts a multi-generational demographic that has included guests from Snohomish County, Eastern and Western Washington state, California, Idaho, Oregon and Canada.

This 3-day event is full of displays, parades, tractor pulls, contests, vendors and great food for the entire family. Our show attendees enjoy hay rides, wander through the tractor & engines displays, try their hand at driving an antique tractor, shop the marketplace vendors, recharge with some great food and they know that the kids will have fun in the playground, many games and kids-first activities.

**Sponsor by Mail:** Complete this form.

Step 1: Your Information
