Three children			\$185
Each additional			\$55

Little Light of Mine Provides Meals and Snacks for a fee of \$1/meal (breakfast and lunch) and \$.50/snack (2 snacks a day), milk and water included. You may choose to be on the "Meal Program" or bring your own food. You have the opportunity to chose twice a year, the sessions run from Sept-Feb and March-Aug. Once you decide for each session you are locked in for that time period. Fees will be charged each week when invoices are sent out. If you already qualify for State Aid for your childcare, you may request to also fill out the form to subsidize the meal program. If you choose to be on the "Meal Program" you will be charged \$3/day for each day that your child is in attendance, or \$1.50 for half day students.
