## DID YOU KNOW?

According to Aaron Jennings, Deputy Director Division of EMS in the past 8 years fire and EMS certificate holders have decreased by 5.09%. He related the states concern regarding this at the Spring conference. If you have questions regarding this or any topic, a representative from the State EMS office will be at the summer conference addressing the New Protocols, New DNR, New Trauma and ARPA -EMS Recovery Money on Saturday, June 25.

## SPEAKER SPOTLIGHT

When Mike Scherer was in high school, he spent a day shadowing his father who was a police officer. During that time, they responded to a fire. After watching the firefighters do battle, that was it, Mike was sold, he knew what he wanted to do. For the past 32 years he has served as a Firefighter, Paramedic. Working on the busy department of Green Township with approx. 8500 calls per year, he wanted to give back in the form of teaching BLS, ACLS and PALS. He noticed that there was a need to help fellow public service workers who have had a tough call, shift and he joined the tri-state peer support team of SW Ohio, which is a group of Police, Firefighters, dispatchers, nurses, and EMS providers that have gone through training to help First Responders who are going through tough time where they need to talk to someone. There are resources available for any type of situation. Mike is available to talk confidentially and help locate resources for members. You can contact him at [mscherer54@gmail.com](mailto:mscherer54@gmail.com) or 513-678-9216. You can learn more about the Tri-State Peer Support Team on Friday June 24 at the conference where Mike will be speaking. **The tr-state information along with the National Suicide Hotline is on our website (OAEMS.org) for anyone to reference.**
