Dear Madam Diaby and HELP FOR HUMANITY:

I am deeply grateful for the generous sponsorship You have provided for my education. Your support has not only aided in my academic pursuit, but it has also given me the confidence and resources necessary to achieve my goals.

The opportunity to further my studies would not have been possible without your kind contributions and it has truly made a significant difference in my life.

I am committed to make the most of this scholarship and am excited about what the future holds.

Regards,

Liliane Umutoniwase

**From My Parents:**

We as parents really respect and thank you very much. God bless you for helping us with our child.

We were very happy. God will bless you and I know what she learned will be useful in this life and what God will do for her will reward our child. God Bless You.
