Re: appreciation for bought a computer

I humbled to write this letter for thanks new laptop HELP FOR HUMANITY has provided me. Now my study has changed very easily. Before to study without computer was very hard because university don't like to open computer lab so that learners can access on the computers when others students went to do practical's with their owner computer, I was used to borrow my classmates some of them they were refused.

So that computer HELP FOR HUMANITY bought for me. It was helping me a lot like performance increased and during wrote book and presented system of research project. Even now it is helping to prepare exams which will start on 15th April 2024 for eight semester

Now I am about to finish my study, I remain only one semester which is May-august 2024 to be complete my study. Accordingly to the schedule of university we shall graduate in December 2024.

I really appreciate HELP FOR HUMANITY for your help me school fees and laptop. From button of my heart is overflow of happiness and thanks because HELP FOR HUMANITY has given me hope of life

I love you so much God bless you SO MUCH
