## Bogani Cafe

### **Terms and Conditions:**

- 1 week notice minimum for platters
- We have a projector and screen available and HDMI. No audio connected to the projector at the moment.
- We have speakers connected to spotify, we would be happy to play your curated playlist.
- To ensure your private event runs smoothly, we have a dedicated staff member on site. While their primary focus is to manage our kitchen, we understand the importance of impeccable service. If you desire extra assistance with hosting duties, such as attentive table service and efficient table clearing, we offer the convenient option to add a dedicated server to your event. Simply select the server option on our booking form
- Please account for set-up and clean up time in your booking. During clean up, our staff's primary focus is to get the cafe ready for the next day. If you would like assistance, please select the cleaning add on.
