COMPASSIONATE HEARTS. EXPERT CARE.

Thank you for choosing to fundraise for Hill House!
Your donations count more than ever.

Since its doors opened in 1998, Hill House Hospice has been the final home to many residents living their last moments, surrounded by their families and attended to by the Hill House team with compassion and expert care. Hill House offers end-of-life care along with supportive programs and services, at no cost, to residents and their families.

Funding comes partly from the government and corporate partners but mostly from generous donors in the community like you. In this fundraising toolkit, you'll find valuable information for planning and running your event. It's a step-by-step guide to help you organize your event from start to finish so that your event is a big success. We are here for you if you need additional help to make your event a tremendous success.

Thank you for caring and good luck fundraising!

Yours truly,

Michelle Hambly, BScN, MBA
