

Janaseva is an association established in August 2020 and duly registered with the Registrar of Societies in Bengaluru (Registration Number: DRBI/SOR/148/2020-21, dated August 27, 2020).

Furthermore, we have obtained 80G approval from the IT Department (AADTJ6983CF20204/AY2022-2027), facilitating our fundraising efforts.

Our primary mission revolves around assisting economically disadvantaged individuals, particularly in the medical field. Additionally, we extend interest-free educational loans to deserving students, who are obligated to reimburse the amount upon completion of their studies, thus aiding future generations in need.

X-RAY unit at co-operative medical center Mulleria, Kasaragod. This is a rural area in border of Kerala and Karnataka. Agricultural labourers, rural workers, aged people are beneficiaries.

Hospital is run as cooperative principle NOT on profit motive. Additional floor construction with X-ray unit will cost 60 lakhs.
