See, I am doing a new thing!
Now it springs up; do you not perceive it?
I am making a way in the wilderness
and streams in the wasteland.

Our new theme for 2023-2024 is Rise Up! It's a theme that resonates with me because it is a reminder that God wants us to move forward in our lives. It's so easy to stay stuck—stuck in our mess, stuck in the past, stuck in a particular bad habit or sinful behavior. And yet, there is so much more that God has for us if we don't limit Him by staying stuck in the mud.

As we move forward into the new year for Alliance Women let's remember that we are ministering to many women who can feel stuck as well. Let's encourage them and help them to walk forward in the truth that God says about them and their circumstances. God has a wonderful plan for each of us and if we are willing to allow Him to work in those hard places we will see that His plan is a good one.

The Israelites had a tendency to look backwards with longing towards Egypt. But God reminds them in Isaiah 43 that he is doing a new thing. He is making a way where there seems to be no way through. God does the same for us. When we feel trapped or stuck, He reminds us that He is working and carving a path through the desert. We just need to trust Him.

Rise up, ladies, and move forward into what God has for you. His paths are always good because no matter what we face, He is walking with us through them. We can trust that God's plans are the very best for us and that brings encouragement to my soul.
