Summary of Budget 2018-19

Government says that it is firmly on course to achieve high growth of 8% plus as manufacturing, services and exports are back on good growth path. While GDP growth at 6.3% in the second quarter of 2017-18 signalled turnaround of the economy, growth in the second half is likely to remain between 7.2% to 7.5%. The Union Minister for Finance and Corporate Affairs Shri Arun Jaitley while presenting the General Budget 2018-19 in Parliament today said that Indian society, polity and economy had shown remarkable resilience in adjusting with the structural reforms. IMF, in its latest Update, has forecast that India will grow at 7.4% next year in the backdrop of services resuming high growth rates of 8% plus, exports expected to grow at 15% in 2017-18 and manufacturing back on good growth path.

Reiterating the pledge given to the people of India four years ago to give this nation an honest, clean and transparent Government and to build a strong, confident and a New India, Shri Jaitley said, the Government led by Prime Minister, Shri Narendra Modi, has successfully implemented a series of fundamental structural reforms to propel India among the fastest growing economies of the world.

The Finance Minister said that Government has taken up programmes to direct the benefits of structural changes and good growth to reach farmers, poor and other vulnerable sections of our society and to uplift the under-developed regions. He said, this year's Budget will consolidate these gains and particularly focus on strengthening agriculture and rural economy, provision of good health care to economically less privileged, taking care of senior citizens, infrastructure creation and working with the States to provide more resources for improving the quality of education in the country. He said, the Government has ensured that benefits reach eligible beneficiaries and are delivered to them directly and said that Direct Benefit Transfer mechanism of India is the biggest such exercise in the world and is a global success story.

Agriculture and Rural Economy

Referring to the Government's commitment to the welfare of farmers and doubling farmers' income by 2022, the Finance Minister announced a slew of new schemes and measures.

He said, that government has decided to keep MSP for all unannounced kharif crops atleast one and half times of their production cost after declaring the same for the majority of rabi crops. He said, the volume of institutional credit for agriculture sector from year-to-year increased from Rs.8.5 lakh crore in 2014-15 to Rs.10 lakh crore in 2017-18 and he proposed to raise this to Rs.11 lakh crore for the year 2018-19. After the establishment of Dairy Infrastructure Fund, Shri Jaitley announced setting up a Fisheries and Aqua culture Infrastructure Development Fund (FAIDF) for fisheries sector and an Animal Husbandry Infrastructure Development Fund (AHIDF) for financing infrastructure requirement of animal husbandry sector with a total corpus of Rs.10,000 crore for the two new funds. On the lines of "Operation Flood" a new Scheme "Operation Greens" was announced with an outlay of Rs 500 Crore to address the challenge of price volatility of

perishable commodities like tomato, onion and potato with the satisfaction of both the farmers and consumers. He also announced to develop and upgrade existing 22,000 rural haats into Gramin Agricultural Markets (GrAMs) to take care of the interests of more than 86% small and marginal farmers. These GrAMs, electronically linked to e-NAM and exempted from regulations of APMCs, will provide farmers facility to make direct sale to consumers and bulk purchasers. Moreover, an Agri-Market Infrastructure Fund with a corpus of Rs.2000 crore will be setup for developing and upgrading agricultural marketing infrastructure in the 22000 Gramin Agricultural Markets (GrAMs) and 585APMCs. He said, so far 470 APMCs have been connected to e-NAM network and rest will be connected by March, 2018. Shri Jaitley announced Rs 200 crore for organized cultivation of highly specialized medicinal and aromatic plants and said that the organic farming by Farmer Producer Organizations (FPOs) and Village Producers' Organizations (VPOs) in large clusters, preferably of 1000 hectares each will be encouraged. Similarly, allocation of Ministry of Food Processing has been doubled from Rs.715 crore in 2017-18 to Rs.1400 crore in 2018-19. Terming Bamboo as 'Green Gold', the Finance Minister announced a Re-structured National Bamboo Mission with an outlay of Rs.1290 crore to promote bamboo sector in a holistic manner. Under Prime Minister Krishi Sinchai Yojna-Har Khet ko Pani, 96 deprived irrigation districts will be taken up with an allocation of Rs 2600 crore. The Centre will work with the state governments to facilitate farmers for installing solar water pumps to irrigate their fields. He also proposed to extend the facility of Kisan Credit Cards to fisheries and animal husbandry farmers to help them meet their working capital needs. Shri Jaitley said India's agri-exports potential is as high as US \$100 billion against current exports of US \$30 billion and to realize this potential, export of agri-commodities will be liberalized. He also proposed to set up state-of-the-art testing facilities in all the forty two Mega Food Parks. He also announced a special Scheme to support the efforts of the governments of Haryana, Punjab, Uttar Pradesh and the NCT of Delhi to address air pollution in the Delhi-NCR region by subsidizing machinery required for in-situ management of crop residue.

On the loans to Self Help Groups of women, the Finance Minister said it increased to about Rupees 42,500 crore in 2016-17, growing 37% over previous year and expressed confidence that loans to SHGs will increase to Rs.75,000 crore by March, 2019. He also substantially increased allocation of National Rural Livelihood Mission to Rs 5750 crore in 2018-19.

Referring to the measures taken for the benefit of lower and middle class, the Finance Minister said, under Ujjwala Scheme distribution of free LPG connections will be given to 8 crore poor women instead of the previous target of 5 crore

women. Under Saubahagya Yojana, 4 crore poor households are being provided with electricity connection with an outlay of Rs.16,000 crore. To fulfil target of housing for All by 2022 ,more than one crore houses will be built by 2019 in rural areas, besides already constructed 6 crore toilets under Swachh Bharat Mission.

Shri Jaitley stressed that the focus of the Government next year will be on providing maximum livelihood opportunities in the rural areas by spending more on livelihood, agriculture and allied activities and construction of rural infrastructure. He said, in the year 2018-19, for creation of livelihood and infrastructure in rural areas, total amount to be spent by the Ministries will be Rs.14.34 lakh crore, including extra-budgetary and non-budgetary resources of Rs.11.98 lakh crore. Apart from employment due to farming activities and self employment, this expenditure will create employment of 321 crore person days, 3.17 lakh kilometers of rural roads, 51 lakh new rural houses, 1.88 crore toilets, and provide 1.75 crore new household electric connections besides boosting agricultural growth.

Education, Health and Social Protection

The Finance Minister said that estimated budgetary expenditure on health, education and social protection for 2018-19 is Rs.1.38 lakh crore against estimated expenditure of Rs.1.22 lakh crore in 2017-18 .

On education front, Shri Jaitley announced setting up of Ekalavya Model Residential School on par with Navodaya Vidyalayas to provide the best quality education to the tribal children in their own environment by 2022 in every block with more than 50% ST population and at least 20,000 tribal persons with special facilities for preserving local art and culture besides providing training in sports and skill development. To step up investments in research and related infrastructure in premier educational institutions, including health institutions, a major initiative named “Revitalising Infrastructure and Systems in Education (RISE) by 2022” with a total investment of Rs.1,00,000 crore in next four years was announced . He said that a survey of more than 20 lakh children has been conducted to assess the status on the ground, which will help in devising a district-wise strategy for improving quality of education. To improve the quality of teachers an integrated B.Ed. programme for teachers will be initiated. Shri Jaitley said, the Government would launch the “Prime Minister’s Research Fellows (PMRF)” Scheme this year. Under this, 1,000 best B.Tech students will be identified each year from premier institutions and provide them facilities to do Ph.D in IITs and IISc, with a handsome fellowship. Allocation on National Social Assistance Programme this year has been kept at Rs. 9975 crore.

The Finance Minister announced the world's largest government funded health care programme titled National Health Protection Scheme to cover over 10 crore poor and vulnerable families (approximately 50 crore beneficiaries) providing coverage upto 5 lakh rupees per family per year for secondary and tertiary care hospitalization. He also committed Rs 1200 crore for the National Health Policy, 2017, which with 1.5 lakh Health and Wellness Centres will bring health care system closer to the homes of people. The Government also decided to allocate additional Rs.600 crore to provide nutritional support to all TB patients at the rate of Rs.500 per month for the duration of their treatment. Shri Jaitley said, the government will be setting up 24 new Government Medical Colleges and Hospitals by upgrading existing district hospitals in the country.

On cleaning the Ganga, the Finance Minister said, a total of 187 projects have been sanctioned under the Namami Gange programme for infrastructure development, river surface cleaning, rural sanitation and other interventions at a cost of Rs.16,713 crore. 47 projects have been completed and remaining projects are at various stages of execution. All 4465 Ganga Grams – villages on the bank of river - have been declared open defecation free. He said, the government has identified 115 aspirational districts taking various indices of development in consideration for making them model districts of development.

Medium, Small and Micro Enterprises (MSMEs) and Employment

The Budget has given a big thrust to Medium, Small and Micro Enterprises (MSMEs) to boost employment and economic growth. A sum of Rs. 3794 crore has been provided for giving credit support, capital and interest subsidy and for innovations. MUDRA Yojana launched in April, 2015 has led to sanction of Rs.4.6 lakh crore in credit from 10.38 crore MUDRA loans. 76% of loan accounts are of women and more than 50% belong to SCs, STs and OBCs. It is proposed to set a target of Rs.3 lakh crore for lending under MUDRA for 2018-19 after having successfully exceeded the targets in all previous years.

Employment Generation

Reiterating that creating job opportunities is at the core of Government policies, Finance Minister cited an independent study as showing that 70 lakh formal jobs will be created this year. To carry forward the momentum created by the measures taken during the last 3 years to boost employment generation, Shri Jaitley announced that the Government will contribute 12% of the wages of the new employees in the EPF for all the sectors for next three years. He proposed to make amendments in the Employees Provident Fund and Miscellaneous Provisions Act, 1952 to reduce women employees' contribution to 8% for first three years of their employment against existing rate of 12% or 10% with no change in employers' contribution.

The Budget proposed an outlay of Rs.7148 crore for the textile sector in 2018-19 as against Rs.6,000 Crore in 2016.

Infrastructure and Financial Sector Development

Emphasising that infrastructure is the growth driver of economy, the Finance Minister estimated that investment in excess of Rs.50 lakh crore is needed to increase growth of GDP and connect the nation with a network of roads, airports, railways, ports and inland waterways. He announced increase of budgetary allocation on infrastructure for 2018-19 to Rs.5.97 lakh crore against estimated expenditure of Rs.4.94 lakh crore in 2017-18.

The Government has made an all-time high allocation to rail and road sectors and is committed to further enhance public investment. The Prime Minister personally reviews the targets and achievements in infrastructure sectors on a regular basis. Using online monitoring system of PRAGATI alone, projects worth 9.46 lakh crore have been facilitated and fast tracked.

To further boost tourism, the Budget proposes to develop ten prominent tourist sites into Iconic Tourism destinations by following a holistic approach involving infrastructure and skill development, development of technology, attracting private investment, branding and marketing.

Under the Bharatmala Pariyojana, about 35000 kms road construction in Phase-I at an estimated cost of Rs.5,35,000 crore has been approved.

Railways

Railways Capital Expenditure for the year 2018-19 has been pegged at Rs.1,48,528 crore. A large part of the Capex is devoted to capacity creation. 4000 kilometers of electrified railway network is slated for commissioning during 2017-18. Work on Eastern and Western dedicated Freight Corridors is in full swing. Adequate number of rolling stock – 12000 wagons, 5160 coaches and approximately 700 locomotives are being procured during 2018-19. Over 3600 kms of track renewal is targeted during the current fiscal. Redevelopment of 600 major railway stations is being taken up.

Mumbai's local train network will have 90 kilometers of double line tracks at a cost of over Rs.11,000 crore. 150 kilometers of additional suburban network is being planned at a cost of over Rs.40,000 crore, including elevated corridors on some sections. A suburban network of approximately 160 kilometers at an estimated cost of Rs.17,000 crore is being planned to cater to the growth of the Bengaluru metropolis.

Air Transport

The Budget proposes to expand the airport capacity more than five times to handle a billion trips a year under a new initiative - NABH Nirman. Under the Regional connectivity scheme of UDAN (Ude Desh ka Aam Nagrik) initiated by the Government last year, 56 unserved airports and 31 unserved helipads would be connected.

Finance

To encourage raising funds from bond market, the Finance Minister urged regulators to move from 'AA' to 'A' rating for investment eligibility. He said that the Government will establish a unified authority for regulating all financial services in International Finance Service Centre (IFSCs) in India.

Digital Economy

The Finance Minister said that NITI Aayog will initiate a national program to direct efforts in artificial intelligence.

Department of Science & Technology will launch a Mission on Cyber Physical Systems to support establishment of centres of excellence for research, training and skilling in robotics, artificial intelligence, digital manufacturing, big data analysis, quantum communication and internet of things. The Budget doubled the allocation on Digital India programme to Rs 3073 crore in 2018-19.

Presenting his **direct tax proposals**, the Finance Minister said that attempts to reduce the cash economy and increase the tax net have paid rich dividends. The growth rate of direct taxes in financial years 2016-17 and 2017-18 have been significant, he said. The growth of direct taxes in financial year 2016-17 was 12.6 percent, and for financial year 2017-18 (upto 15th January, 2018) is 18.7 percent. Therefore Shri Jaitley said buoyancy in personal income tax for financial year 2016-17 and 2017-18 (RE) are 1.95 and 2.11 respectively. This the Finance Minister said, indicates that additional revenue collected in the last two financial years from personal income tax compared to average buoyancy for the pre 2016-17 period, amounts to a total of Rs. 90,000 crore, which is a result of a strong anti-evasion measures by the government.

The Finance Minister also said that there has been a huge increase in the number of returns filed by tax payers. The number of Effective Tax Payers has increased from 6.47 crore at the beginning of Financial year 2014-15 to 8.27 crore at the end of 2016-17.

BUDGET 2018-19

Taxation Initiatives

- ◆ The Central Board of Excise and Customs (CBEC) to be renamed as Central Board of Indirect taxes and Customs (CBIC)
- ◆ E-Assessment of Income Tax to be rolled-out across the country to transform age-old assessment procedure
- ◆ Changes proposed to the Customs Act to improve Ease of Doing Business
- ◆ To incentivise 'Make in India', Customs duty increased on mobile phones and TV parts

Shri Jaitley has proposed 100 percent deduction to companies registered as Farmer Producer Companies with an annual turnover upto Rs. 100 crore on profit derived from such activities, for a period of five years from financial year 2018-19. This he said will promote post harvest agriculture activities and also encourage "Operation Greens" announced earlier and would give a boost to the Sampada Yojana.

In order to encourage creation of new employment the deduction of 30 percent Under Section 80-JJAA with a further relaxation to 150 days in the case of the apparel industry, has been proposed to be extended to the footwear and leather industry. The Finance Minister has also proposed to rationalise the deduction of 30 percent by allowing the benefit for a new employee employed for less than the minimum period during the first year, but continues to remain employed for the minimum period in the subsequent year.

Turning to the real estate sector, the Finance Minister has proposed that no adjustment shall be made in respect of transactions in immovable property, where the Circle Rate value does not exceed 5 percent of the consideration. This would minimize hardship in real estate transactions.

In fulfilment of the promise to reduce the corporate tax rate in a phased manner, Shri Jaitley has proposed to extend the reduced rate of 25 percent currently available for companies with turnover of less than 50 crore (in Financial Year 2015-16), also to companies reporting turnover up to Rs. 250 crore in Financial Year 2016-17. This would benefit the entire class of micro, small and medium enterprises, which account for almost 99 percent of companies filing tax returns, he said. The estimated revenue forgone during Financial Year 2018-19 will be Rs. 7,000 crore. This lower corporate income tax rate would leave such companies with higher investible surplus, which would create more jobs.

The Budget proposals also seek to provide relief to salaried tax payers by allowing a Standard Deduction of Rs. 40,000 in place of the present exemption allowed for transport allowance and reimbursement of miscellaneous medical expenses. However, transport allowance at enhanced rate is proposed to be continued for differently abled persons. Further, it is also proposed to continue medical reimbursement benefits in case of hospitalization etc. for all employees. The proposed Standard Deduction will help middle class employees even further in reducing their tax liabilities. It will also significantly benefit pensioners, who normally do not enjoy any allowance for transport and medical expenses, Shri Jaitley said. 2.5 crore salaried employees and pensioners would benefit from this proposal and the revenue cost would be approximately Rs. 8,000 crore.

Relief to Senior Citizens has also been proposed. The proposals are :-

- Exemption of interest income on deposits with banks and post offices are proposed to be increased from Rs. 10,000 to Rs. 50,000. TDS shall not be required to be deducted under section 194A. Benefit will also be available for interest from all fixed deposit schemes and recurring deposit schemes.
- Hike in deduction limit for health insurance premium and/ or medical expenditure from Rs. 30,000 to Rs. 50,000 under section 80D.
- Increase in deduction limit for medical expenditure for certain critical illness from Rs. 60,000 (in case of senior citizens) and from Rs. 80,000 (in case of very senior citizens) to Rs. 1 lakh for all senior citizens, under section 80DDB. Concessions will give extra tax benefit of Rs. 4,000 crore to senior citizen. It is also proposed to extend the Pradhan Mantri Vaya Vandana Yojana up to March, 2020. The current investment limit is also proposed to be increased to Rs. 15 lakh from the existing limit of Rs. 7.5 lakh per senior citizen.

It is proposed to provide more concessions for International Financial Services Centre (IFSC), in order to promote trade in stock exchanges located in IFSC. The concessions propose transfer of derivatives and certain securities by non-residents from capital gains tax, and non corporate tax payers operating in IFSC to be charged Alternate Minimum Tax (AMT) at concessional rate of 9 percent at par with Minimum Alternate Tax (MAT) applicable for corporates.

In a measure that proposes to control the cash economy, payments exceeding Rs. 10,000 in cash made by trusts and institutions shall be disallowed and would be subject to tax. In order to improve TDS compliance by these entities, the Finance Minister has proposed to provide that in case of non deduction of tax, 30 percent of the amount shall be disallowed and would be taxed.

Turning to rationalization of Long Term Capital Gains (LTCG), the Finance Minister noted buoyancy in the equity market, as a result of reforms and incentives given so far. The total amount of exempted capital gains from listed shares and units is around Rs. 3,67,000 crore (as per returns filed for A.Y. 2017-18). Shri Jaitley said that a major part of this gain has accrued to corporates and LLPs. This has also created a bias against manufacturing, leading to more business surpluses being invested in financial assets. Due to attractiveness on return on investment on equity, even without tax exemption, there is a strong case for bringing Long Term Capital Gains from listed equities in the tax net, the Finance Minister said. He has however only proposed a modest change in the present regime, recognizing that a vibrant equity market is essential for economic growth. Shri Jaitley has proposed to tax such Long Term Capital Gains exceeding Rs. 1 lakh at the rate of 10 percent, without allowing any indexation benefit. However, all gains up to 31st January, 2018 will be grandfathered. The Finance Minister has also proposed to introduce a tax on distributed income by equity oriented mutual funds at the rate of 10 percent, to provide a level field across growth oriented funds and dividend distributing funds. The proposed change in Capital Gains Tax will bring marginal revenue gain of about Rs. 20,000 crore in the first year, in view of grandfathering.

In order to take care of the education and health care needs of Below Poverty Line (BPL) and rural families, The Budget proposes to increase the cess on personal income tax and corporation tax to 4 percent from the present 3 percent. The new cess will be called the “Health and Education Cess” and is expected to lead to a collection of an estimated additional amount of Rs. 11,000 crore.

The Finance Minister also announced a proposal to roll out E-assessment across the country to almost eliminate person to person contact leading to greater efficiency and transparency in direct tax collection. E-assessment had been introduced on a pilot basis in 2016 and extended to 102 cities in 2017.

On the indirect taxes side, this being the first budget after the roll out of the Goods and Services Tax (GST), the budget proposals are mainly on the customs side. The Finance Minister has proposed changes in customs duty to promote creation of more jobs in the country and also to incentivise domestic value addition and Make in India in sectors such as food processing, electronics, auto components, footwear and furniture. Therefore it is proposed to increase customs duty on mobile phones from 15 percent to 20 percent, on some of their parts and accessories to 15 percent and on certain parts of televisions to 15 percent.

Customs duty is proposed to be reduced on raw cashew from 5 percent to 2.5 percent, to help the cashew processing industry.

It is also proposed to abolish the Education Cess and Secondary and Higher Education Cess on imported goods. In its place it is proposed to impose a Social Welfare Surcharge at the rate of 10 percent of the aggregate duties of Customs, on imported goods, to provide for social welfare schemes of the government. However, goods which were so far exempt from Education Cesses on imported goods, will however continue to be so. In addition, certain specified goods, mentioned in Annexure 6 of the Budget speech, will attract the proposed Surcharge, at the rate of 3 percent of the aggregate duties of customs only.

With the roll of GST, the Budget also proposes to change the name of the Central Board of Excise and Customs (CBEC) to the Central Board of Indirect Taxes and Customs (CBIC).
