

Webb Companion App Your Virtual Companion for Multi-Tenant living.

WEBB COMPANION

Multi-tenant app for all your building needs.

With Webb Companion we have merged Visitor Entry, Notice Boards, Parcel delivery, Amenity Room bookings and Virtual Concierge services into one user intuitive app.

- **Companion Notice Boards keeps you informed with notices in the building rather than emails and paper.**
- **Companion Visitor Entry gives you two-way video to see your visitors and text with the hearing impaired before letting them in the building**
- **Companion Parcel Delivery gives you access to private lockers where your package is safely stored.**
- **Companion Booking section allows you to book buildings amenity rooms, gyms, and theatres easily and quickly.**

The Companion App is perfect for maintaining Notice Boards, Visitor Entry, Parcel Delivery, and Bookings essentials in a multi-tenant building.
