**Kansas Lions 2024 State Convention**  
***Mission Possible!***

The 2024 Kansas Lions State Convention—May 31 through June 2—will be here before we know it! The convention site will be the DoubleTree by Hilton in Lawrence. **Lions Clubs International President Dr. Patti Hill** from Alberta, Canada will be the honored guest and featured speaker. The annual **Kansas Lions State Band concerts** will be at Baker University in nearby Baldwin City.

With an advertisement in the convention booklet, you or your club can honor President Hill's latest visit to Kansas. MD-17 has been blessed to have had International Presidents visit our State Conventions frequently over the last several years. This year is no exception. Hailing from Canada, IP Patti is the first woman president from North America. She and her husband Greg Holmes bring a level of enthusiasm, motivation, and professionalism that will inspire all in attendance.

Additionally, you can recognize our very own **International Director, Hans Neidhardt** and his wife **DGE Shari** (17-N). Together they have organized and led the Kansas Lions State Band program for the last twenty years. After this year's concert, they will pass the baton. Consider a thank-you advertisement on their behalf in the booklet as well.

Either message—or both—will help ensure a truly commemorative book for our 2024 State Convention.
