PINK BALL

PLAY. SPONSOR. DONATE. SUPPORT.

HELLO!

Breast cancer has touched the lives of many incredible individuals within our KDI Office Technology team, just as it has impacted countless others. Sadly, our CEO & CFO, Rick & Terry Salcedo, have also experienced the loss of a beloved brother-in-law to this relentless disease. It's a reminder that breast cancer knows no boundaries, affecting both women and men alike. But at KDI, we're not standing idly by. We're passionately committed to ensuring that no one faces the battle against breast cancer alone.

That's why we're reaching out to fantastic companies like yours to join us in our mission. Through our heartfelt support of the American Cancer Society's Making Strides initiative, we've been able to make a real difference. And our annual **Pink Ball Golf Outing** is a shining example of our dedication. It's a day filled with camaraderie, support, and, most importantly, hope.

As we gear up for the sixth year of **Pink Ball**, we're excited about the opportunity to bring together our community, customers, vendors, and staff for a cause that truly matters. And with the incredible generosity of sponsors like you, we've already raised over \$330,000.00 since 2018, all going directly to the local chapter of the American Cancer Society.

Pink Ball isn't just an event—it's a celebration of unity, strength, and the power of coming together for a common cause. And we're just getting started. With your support, we can make an even bigger impact. Join us as we continue to champion Hope, Life & Healing. Together, we can make a real difference.

For more information on how you can get involved, please visit www.kdicares.org or email us at PinkBall@kdi-inc.com with any questions you may have. Thank you.
