FROM THE WINEMAKER

Cabernet Sauvignon is the world's favorite red varietal wine. It is grown in almost every major wine growing country in the world with Clarksburg included. This vintage of Cabernet Sauvignon expresses beautiful aromas of tobacco, boysenberry, anise, leather. With each sip the wine dances with majestic cherry, blackberry, and cranberry flavors. Then, with a lovely balance, the wine coats your tongue like warm chocolate and finishes medium and dry.

PAIR WITH

An afternoon nap on your day off

FUN FACT

Cabernet Sauvignon is the world's favorite red varietal wine. It is grown in almost every major wine growing country in the world.
