FROM THE WINEMAKER

The Heringer Estates Hope's Thread Rosé is a wonderfully crisp, dry rosé, with aromas of fresh berry, vanilla, and flowers. This lovely rosé was created in memory of Grandma Jean to inspire hope in all of those who have been affected and are close to those that are affected by breast cancer. You can enjoy this wine chilled for a more fruity experience or at room temperature to enjoy more floral aromas. Hope's Thread was especially created for the women in our lives that inspire strength in us all.

Proceeds from the sales of this wine are donated to Lump to Laughter, a ministry providing spiritual, emotional, and financial help to those and their families that have been affected by breast cancer.
