ECOCASK RED WINE BLEND

PROFILE

Vineyard

Heringer Estates, Clarksburg, Ca

Body

Medium to full bodied red wine

Aroma

Blackberry, leather, boysenberry, chocolate

Alcohol

14%

Blend

Malbec and Tempranillo

DESCRIPTION

Drink sustainably! The EcoCask Red Wine Blend is certified sustainable and made from some of Clarksburg's finest full bodied red wines including Malbec and Tempranillo. The EcoCask has historically been a wine that embraces the spirit of sustainability and family and our winemaker has created a full bodied red wine profile that will appeal to many wine lovers and pair easily with foods. The 3 liter pouch is equal to 4 bottles of wine and can easily be shared at social gatherings or family events. It is a wine that is made to not only inspire our taste buds, but also is produced with a smaller carbon footprint than traditional glass bottled wines.

PAIR WITH

The EcoCask is a friendly blend that pairs well with most foods. It would also be spectacular with pizza.

FUN FACT

Wine in a bag is the most sustainable way to drink. Once opened, the wine in this pouch will last about 4 weeks.
