

*This is our second home that we've sold through Lisa and we loved her both times. She is honest, reliable, and so easy to work with. She makes the process of buying/selling a home as seamless and enjoyable as possible. When we decided to sell our home, there was no hesitation with calling Lisa to help us again. She is trustworthy and her experience is priceless.*

*Hi Lisa, I want to thank you for the basket! It is beautiful and my daughter and I will enjoy it! Lisa, you made everything so easy for our family in the mist of our grieving process. You were thorough with your explanations of processes that we needed to complete along with being understanding when questions we re-asked. All this while on your vacation! You are truly awesome, and I would recommend you to any of my friends with real estate needs. Thanks again,*

*After interviewing several listing agents, we decided on Lisa. She was personable and not a pushy salesperson. She talked about the steps required to get us into our new home in the specific time frame needed. Whenever we had questions, she was always there to help find an answer. She was recommended to me and I now gladly will do the same.*

*Lisa worked tirelessly to showing properties to my husband and me. She selected many properties that met our needs, so we had plenty to choose from. She took her time explaining legal jargon to us so that our home buying experience was plain and simple! She also showed a great deal of patience when we had our little ones with us. I would recommend her, she's awesome! Thank you, Lisa!*
