

**DO YOU WANT TO SHOP FOR PRODUCTS
THAT YOU KNOW ARE SAFE FOR YOU AND YOUR FAMILY?**

I envisioned a company whose products were geared toward better health.

What I didn't know is that such a company exists.

That company is Melaleuca.

I have been a Melaleuca customer since 2007.

Melaleuca concentrates on your:
BEAUTY, BODY, HEALTH, HOME AND MEDICINE CABINET

While Melaleuca sells over 250 products,
here is a sampling of the many products which I purchase:

acne medication	air freshener	anti-itch cream
bar soap	bathroom cleaner	body wash
dental floss	disinfectant	dishwasher detergent
dishwashing liquid	facial masque	facial wash
furniture polish	gum	hair conditioner
hair mousse	hand sanitizer	laundry detergent
makeup	mouth rinse	odor eliminator
probiotics	shampoo	stain remover
sunscreen	toothpaste	

Melaleuca also helps with:

blood sugar support, building a secure retirement, daily nutrition, eye health, financial freedom, heart health, joint support, prostate health, weight management and much more.

Here is just a small sampling of the many benefits of Melaleuca:

- You will save money on better, safer products. Melaleuca is serious about getting harmful and toxic ingredients out of your home.
- Melaleuca cleaning products use the best of science and nature to combine for the safest most effective cleaning. Natural solutions can tackle some of the toughest cleaning challenges in your home.
- Melaleuca saves you money and saves the environment from needless waste by making concentrated products.
- Melaleuca's focus has always been on individual and environmental wellness.
- Melaleuca was green long before being green was popular. For 25 years, they've been leading the way in selling concentrated products and preserving nature's resources.
