In this clinic we will be discussing in detail the timing, feel, phases of pressure, locations of drive lines and the super powers of rhythm and energy. Ground work is my passion and I'm so excited to share with you all the some of the techniques and strategies I have used over the years. There are many ways to accomplish your goals with your horse; I'd love to give you some new ideas to play with! All ages of horses and ability levels of handlers are welcome. You may participate in more than one session- I'm looking forward to meeting you all!

~ Auditors are ALWAYS welcome ~

Not sure where you and your horse fit in? Give me a call and let's chat! I'd be happy to help you decide!
