July 1, 2018

Dear Parents,

Summer is off to a great start with lots of fun activities. We would like to welcome our new families for the second session (which begins Monday, July 2). Please remember that we will be closed on Wednesday, July 4 for Independence Day.

Thank you to parents who have been signing up monthly to provide morning and afternoon snack (for those signed up for the 4pm schedule). When bringing snack we ask that you provide enough for 20-30 small servings in the morning and/or 15 small servings in the afternoon. We suggest a fruit or vegetable, protein (cheese, yogurt, etc.) and a grain (crackers, muffins, popcorn, etc.). To conserve on packaging you can bring in large containers as opposed to individually wrapped packages. We will prepare each serving accordingly and return your containers to your child's bin.

A few reminders:

- Please label all swimsuits, towels and hats. We line dry them every day and keep them in bins during the week. We ask that you take them home at the end of the week for washing!
- Please try to arrive to school on time each morning so that your child does not miss important lessons at the beginning of class and makes for a smooth transition time. We begin class at 9:15 a.m. during the summer months.
- Please sign your child **IN** and **OUT** each day accurately! This is a state regulation and we need to know who's here at all times.
- A quick reminder about the school's No Super-hero or "Character" Clothing Policy. Please see Stacy or refer to your Parent Handbook, available online, if you have any questions.
- Due to the morning smoke from the 416 Fire we are following San Juan Basin Public Health for advisory on when to go outside for recess or lunch. To be conservative, we are staying indoors until the Air Quality Index is below 100 and in the moderate range. We are checking the Air Quality Index on PurpleAir.com throughout the day.

Thank you for your cooperation!

Happy July!  
The Staff of Children's House
