OBJECTIVE

All children have as equal right to access education in an environment that is safe, protective and conducive to the overall development. The challenges of gender inequality, eve-teasing and sexual abuse in school environment call for increased awareness and creating synergy among parents, teachers and school. In order to ensure strict compliance of the Protection of Children from Sexual Offences Committee (POCSO) Act 2012, CBSE has taken several initiatives and actions for creating awareness about sexual exploitation among school children. The committee will take appropriate and necessary action on reported cases of misbehaviour of sexual offences in the school premises. To safeguard the interests of the learners, School set up the POCSO Committee (set up under the provisions of Prevention of Children from Sexual Offence Act 2012). The Committee works towards safeguarding the learners from the challenges they face in their formative years at school. The Committee takes up age-appropriate initiatives to create awareness about sexual exploitation and to ensure that all learners are aware of their rights and responsibilities towards themselves. Assembly conducted in the school throughout the year, learner participation is encouraged. Age-appropriate videos are shown and self-defence sessions are also conducted as a part of the Awareness programmes.
