

# Lassen COVID-19: Incident Command

Lassen County  
Public Health 

Press Release  
FOR IMMEDIATE RELEASE

DATE: 04.13.2021

Time: 4:00 pm

RELEASE #: 1 of 1

## **SUBJECT: Lassen County Now in the Yellow Tier**

Effective today, Lassen County is in the “minimal” spread or least restrictive yellow tier of the California Blueprint for a Safer Economy. Lassen County is one of only three counties in this category, joining both Alpine and Sierra counties.

The yellow tier indicates that there is minimal COVID-19 spread in our County and allows for nearly all businesses to reopen indoor operations.

Some of the changes in the Yellow Tier are as follows:

**Bars (where no meals provided)** - Can open indoors with modifications – Max 25% capacity or 100 people, whichever is fewer.

**Churches** - Can open indoors with modifications – Max 50% capacity – Capacity limits on places of worship are not mandatory but are strongly recommended.

**Gyms and fitness center** - Can open indoors with modifications – Max 50% capacity

**Hair salons and barbershops** - Can open indoors with modifications

**Movie theaters** - Can open indoors with modifications – Max 50% capacity

**Restaurants (dine-in)** - Can open indoors with modifications - Max 50% capacity

For details on specific business sector guidance and modifications visit <https://covid19.ca.gov/safer-economy/>

The Blueprint for a Safer Economy Tier system will end on June 15, 2021, if we are able to contain the spread of the COVID-19 virus.

Lassen County would like to emphasize that it is critical to continue practice social distancing, wash your hands frequently, wear face coverings while in public, and avoid social gatherings.
