

## MISSION

Nebraska Legacy United creates opportunity for all, regardless of their circumstances, for the youth of our community to grow skills and the value of teamwork, sportsmanship and healthy competition through athletic achievement.

## PURPOSE

Nebraska Legacy United, Inc (NLU) provides mentorship through athletics to provide underserved youth in our community with the opportunity to gain exposure and training which may have been previously out of reach.

By **UNITING** athletic skills development with life skills to nurture the world's next community leaders, NLU seeks to bring together the past with the present to develop a vibrant future.

We strive to help build a foundation for life based on values and principles of education, respect, responsibility, hard work & sportsmanship. The essential ingredients for creating their own **LEGACY**.
