

ETTTA

Evangelism Through The Arts

Our goal is to unify & educate the Worshipping Arts Community

Welcome to Etta,

Most Artists love creating, but when it comes to paperwork many fall short.

No worries, ETTA is here for you. We have your Copyright, Musician for Hire, TV Host Agreement or any other form you may need for Intellectual Property Rights.

Etta also offers business classes so that you can become the best in your craft.

But, it does not stop there, come on out and take an acting, dance, writing, drawing, music theory, social media marketing, graphic design, editing or one of the many other classes that we have planned for you as a member of ETTA.

Your membership allows you to become part of our Directory.

As a member, you receive a webpage on our website with your name, email, social media links, picture, a short autobiography, and a video of you performing or explaining what you do for the kingdom of God using your artistic gifts.

You will also receive all service at a huge discount for example, Radio & Television slots are \$250 monthly for a 1 hour weekly slot.

Members are only \$100 a month for Radio and Television for a 1 hour weekly slot.

Nonmembers pay \$8 per contract that will fill out and send certified mail, members pay only \$5.

Remember, only members can become part of our Global Directory.

These are just some of the rewards and services for becoming a member!

We will continually update our website starting October 6, 2018.

Thank you for supporting Etta by paying your \$50 client membership fee.
